Glass Workshop *February 5th, 4 pm in the Metal Studio (room 130)*

*In the workshop, **Jin Won Han** (Artist in Residence) will cover the basic information regarding different types of glass commonly used in artistic glass blowing, basic principles of annealing process, flameworking torches and tools, studio set up and safety.*

** Students must bring sunglasses for eye protection against UV light.*

Those who are interested in hands-on experiences in flameworking, please sign up for the individual workshops which will be scheduled after the demonstration.

You can sign up by emailing jhan72@uwo.ca, or by signing the sheet in the Metal Shop. Please note your name, email address, year of study, preferred dates and times, and specific interests if you have.
