

Connecting Pan-African Scholars

Greetings,

The Canada-Africa Young Scholars Coalition (CAYSC) is a new initiative of the Africa Institute at the University of Western Ontario. CAYSC is establishing a Canada-Africa Alumni Network to connect people of African heritage or identity and their allies, in the spirit of Pan-Africanism. The Network is a hub for mentorship and collaboration for current and former African scholars.

If you would like to be a member of this network, please subscribe [here](#).

Best regards,

CAYSC Alumni Network.
