Upcoming Recruitment and Career Events

Week of October 21 - 25

Isaac Operations

Oct 21, 05:30 PM to 07:00 PM

Isaac Operations is hiring recent and incoming graduates as Operational Consultants for our January, June, and August 2025 cohorts!

Isaac Operations works hands-on with organizations in North America and around the world to help them get more out of their operational processes and supply chains. From our roots in manufacturing, Isaac applies a unique engineering-based approach across a wide range of industry sectors, working in areas as diverse as aerospace, automotive, defence, food & drink and healthcare.

Targeted students: Engineering and Business students at the Bachelors and Masters level

Enterprise Mobility

Oct 24, 12:00 PM to 01:00 PM

Enterprise Mobility is a family-owned, world-class portfolio of brands and leading provider of mobility solutions worldwide. Founded more than 65 years ago with a commitment to the communities that we serve, we operate a global network with 80,000 dedicated team members across nearly 100 countries, and more than 2.1 million vehicles taking our customers where they want to go. We owe our success to each and every one of our people. That's why we empower everyone on our team with opportunities for growth.

During this info session you will meet our team, take an in-depth look at our business and types of services we provide to our customers. Most importantly, you will learn about our leadership development program and career opportunities for which our internal promotion structure has led to 18,000 promotions last year alone!

Student Targets: Arts & Humanities, Ivey Business School, Social Science (including DAN Management & Organizational Studies), Brescia University College, Huron University College, King's University College
