Course description

The official course description can be found in the [Academic Calendar](#). Instructors may or may not adhere to the Extra Information found in the Academic Calendar in terms of the number of lecture/tutorial/lab hours. See below for more information about course delivery mode and time estimates. These time estimates do not include assessments or independent study.

Required: The following would be required for this course in the case of a second lockdown.

Stable internet connection

Laptop or computer

Working microphone

Working webcam

The following **interfaces** could be used for those assessments: [

Owl assignment

Turnitin

Delivery mode:

This course will have in person.

However if there is a second lockdown the remainder of the course delivered asynchronously (recorded) completely online. In such an event there will be a virtual (real time) question period every week at 13:30 every Friday (which coincides with the face to face lecture time).

Mode	Dates	Time <i>EST – Eastern Standard Time</i>	Frequency**	Attendance
In person	Friday from 11/09 to 4/12	13:30 to 16:20	Weekly	Optional but there will be pop “quizzes” and if one misses more than 40% there will be a penalty

Assessments:

Examples of assessments that **could** be assigned in this course are **highlighted in yellow**; these examples are based on previous offerings of the course and the learning outcomes that have been set.

Participation

Timed tests/exams

Written assignments
