

Diploma to Degree Pathways Program in Environmental Science at Western University

Below are the courses students will need to take towards their degree/module at Western University from a **2-year Environmental Technician Diploma** and a **3-year Environmental Technology Diploma from Fleming College**.

Course descriptions, course nomenclature (e.g. F/G) and breadth categories (e.g. category A course) can be found in the Academic Calendar - <http://westerncalendar.uwo.ca>

The Environmental Science course list can be found here: <http://www.westerncalendar.uwo.ca/2014/pg684.html#33078>

It is highly recommended that you plan course/year progression with the Environmental Science Academic Counsellor.
