

PAEDIATRIC EMERGENCY PHYSICIAN

Division of Paediatric Emergency Medicine, Department of Paediatrics

Schulich School of Medicine & Dentistry, Western University

The Division of Pediatric Emergency Medicine, Department of Paediatrics, Schulich School of Medicine & Dentistry, Western University, and Department of Emergency Medicine, London Health Sciences Center, are seeking an **Emergency Physician**.

The successful candidate will hold a full-time Limited Term Clinical Academic appointment at the rank of Assistant or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor, depending upon qualifications and experience at the time of appointment. Candidates having demonstrated additional subspecialty training or academic achievement will be given preference. They will provide clinical, educational and scholarly activities in the Division of Paediatric Emergency Medicine at the Children's Hospital, London Health Sciences Centre (LHSC). They will help develop academic activities and initiatives within the division and in support of the Department of Paediatrics, the Division of Emergency Medicine (Western) and the Department of Emergency Medicine (LHSC). They will actively contribute to the undergraduate and postgraduate education, and research programs of the Division. The successful applicant will also serve as a role model for our undergraduate medical students, paediatric residents and Paediatric Emergency Medicine Subspecialty Fellows/Residents.

Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

The Paediatric Emergency Divisional members work closely in clinical, teaching and research with members of the Departments of Paediatrics (<http://www.schulich.uwo.ca/paediatrics>) and Division of Emergency Medicine/Department of Medicine (https://www.schulich.uwo.ca/deptmedicine/emergency_medicine/index.html). Collaborative research is also done with scientists at the Children's Health Research Institute (CHRI) (www.chri.org). The Paediatric Emergency Department and the Children's Hospital, LHSC, are state-of-the-art programs and facilities: (http://www.lhsc.on.ca/Patients_Families_Visitors/Childrens_Hospital/Programs_and_services/EmergencyDepartment.htm).

The Paediatric Emergency Department is a designated regional Level One Trauma Centre and the Children's Hospital is a tertiary centre for Southwestern Ontario and serves a population of over 1.8 million.
