

ACADEMIC POSITION – DIVISION OF MEDICAL ONCOLOGY

DEPARTMENT OF ONCOLOGY

SCHULICH SCHOOL OF MEDICINE & DENTISTRY AND

VERSPEETEN FAMILY CANCER CENTRE

The Schulich School of Medicine & Dentistry at Western University is one of Canada's preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students, and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.

The Department of Oncology, Division of Medical Oncology, Schulich School of Medicine & Dentistry at the University of Western Ontario, and its affiliated clinical Verspeeten Family Cancer Centre at London Health Sciences Centre, are seeking a **Medical Oncologist** for a full-time clinical academic appointment to Western University <https://www.schulich.uwo.ca/oncology/>. Rank (Assistant, Associate or Full Professor) and appointment status (limited term or continuing) will be determined by experience and qualifications at the time of appointment.

The Division of Medical Oncology currently consists of 22 medical oncologists and 2 neuro-oncologists. Successful applicants should be certified or eligible for certification in Medical Oncology by the Royal College of Physicians and Surgeons of Canada or equivalent. Candidates must have an MD or equivalent and must be eligible for licensure in the province of Ontario. Candidates for this position will be expected to manage patients in two disease sites – one primary and one secondary – and will have a commitment to, and will have demonstrated aptitude for, medical education and/or oncology research. The candidate will also be expected to take a full role in the clinical activities of the Medical Oncology program.

Compensation will be based on qualifications and experience, and composed primarily of the alternate funding plan and academic support.

The highest priority needs for the Division of Medical Oncology currently are the genitourinary and breast disease sites, however, flexibility exists regarding disease site focus of interest.

Since 1878, Western University has been committed to serving our communities through the pursuit of academic excellence and by providing students, faculty, and community members with life-long opportunities for intellectual, social, and cultural growth. We seek excellent students, faculty, and staff to join us in what has become known as the "Western Experience" – an opportunity to contribute to a better world through the development of new knowledge, new abilities, new connections, and new ways to make a difference.

Applicants are invited to forward the following documents in PDF format:
