

Clinical Academic Faculty Position
Department of Obstetrics & Gynaecology - Division of Reproductive Endocrinology & Infertility
Schulich School of Medicine & Dentistry, Western University

The Department of Obstetrics and Gynaecology, London Health Sciences Centre and Western University, London Ontario, Canada, is seeking a full time clinical academic position in Reproductive Endocrinology & Infertility (REI). The successful candidate will hold a full-time Limited Term Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor, depending upon experience and qualifications at the time of appointment. Candidates must hold an MD and be eligible for licensing in the Province of Ontario. Specialist certification in Obstetrics and Gynaecology through the Royal College of Physicians and Surgeons of Canada or equivalent is required. A formal fellowship in Reproductive Endocrinology & Infertility is required. Training and/or experience in research with an established track record of publications would be an asset. The successful candidate will also have a commitment to and demonstrated aptitude for teaching, and will be expected to teach at the undergraduate and postgraduate levels and to supervise Ob/Gyn resident trainees.

Responsibilities will include:

- Active participation in team-based health care;
- Active involvement in teaching, at undergraduate and post graduate levels; and
- At least 30-35% time commitment to research, education and/or administrative activities in the Department, Hospital and/or the University,
- Provision of health-care services at London Health Sciences Centre and the OMEGA Fertility Center, which is affiliated with Western University.

Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

London Health Sciences Centre (LHSC), one of Canada's largest acute-care teaching hospitals, is dedicated to excellence in patient care, teaching and research. For more than 140 years, LHSC has provided patient care for the people of London, the region, and beyond. Many national and international medical breakthroughs have been pioneered at LHSC, to the benefit of patients at home and around the world. The Department of Obstetrics and Gynaecology has 35 full-time academic physicians, 3 basic scientists, 33 postgraduate residents, and 8 fellows and opportunities exist for clinical and basic science research.

Successful candidates will have a keen interest in academic medicine and the ability to collaborate effectively with all other members of the health care team and office staff, and a commitment to active participation in team-based health care and teaching, both at the undergraduate and postgraduate levels. Compensation for this position will be commensurate with qualifications and experience and will be composed of fee for service, an alternative funding plan and academic salary.

The anticipated start date for this position is **May 1, 2024**, although an alternate start date may be negotiated.

Interested candidates should submit a letter of interest, including curriculum vitae and three letters of reference, and also complete, sign and include the form at the following link (www.uwo.ca/facultyrelations/careers/pdf/application-full-time-clinical.pdf) to:

Department of Obstetrics & Gynaecology,
800 Commissioners Road East, Room B2-401
London, Ontario, N6A 5W9
at OBGYNinfo@lhsc.on.ca.

Applications will continue to be received until the position is filled. Review of applications will begin after February 24, 2024

For further information about the position, please contact Greg Graham, Manager of Administration and Finance, at 519-685-8500 Ext. 66144, or via email at Gregory.Graham@lhsc.on.ca.

Successful candidates will be required to comply with the policies and protocols of the applicable affiliated institutions.

Business Addresses:
