ACADEMIC POSITIONS (2) – DIVISION OF RADIATION ONCOLOGY
DEPARTMENT OF ONCOLOGY
SCHULICH SCHOOL OF MEDICINE & DENTISTRY AND
VERSPEETEN FAMILY CANCER CENTRE

Appointment Type and Rank:	The successful candidates will hold a Limited Term appointment at the rank of Assistant or Associate or a Continuing Appointment at the rank of Associate or Professor depending on qualifications and experience.
Number of Positions:	2
Posting Date:	October 20, 2026
Closing Date to Apply:	December 7, 2026
Anticipated Start Date:	August 1, 2027 or as negotiated

Position Profile: The Department of Oncology, Division of Radiation Oncology, Schulich School of Medicine & Dentistry at Western University in Ontario (https://www.schulich.uwo.ca/oncology/), and its affiliated clinical Verspeeten Family Cancer Centre, London Health Sciences Centre, are seeking two Radiation Oncologists for two full-time clinical academic appointments to Western University.
Qualifications or Experience and Skills Required: Successful applicants should be certified or eligible for certification in Radiation Oncology by the Royal College of Physicians and Surgeons of Canada or equivalent. Candidates must have an MD or equivalent and must be eligible for licensure in the province of Ontario.

Areas of clinical need include breast, gastrointestinal, skin and central nervous system (CNS) malignancies, including pediatric CNS malignancies. Fellowship training or clinical experience in these areas would be an asset.
Candidates should demonstrate strengths in communication, collaboration, scholarship, professionalism and health advocacy, consistent with the CanMEDS framework. Adaptability and resilience are also valued.
Teaching experience will be assessed through supervision and mentorship, curriculum and pedagogical development, use of clinical teaching tools, and educational leadership. Research experience will be assessed through publication record, including first- and senior-author papers; research impact metrics; grants and funding; clinical trial experience; focused areas of research; and demonstrated collaboration.

Academic and/or Clinical Expectations: The successful candidate is expected to develop an active clinical practice and show a sustained record of academic activity in either clinical research or medical education. The successful candidate must be interested in pursuing a strong academic career and will be expected to participate actively in the Division's academic, research and

education initiatives, including teaching and supervision of undergraduate students, postgraduate trainees and fellows.

Compensation Details: Compensation will be based on qualifications and experience; and is composed of a provincial alternate funding plan (salary and billings) and academic support.

Affirmation Policy Statement: Western, like many postsecondary institutions in Canada, is moving beyond sole reliance upon Indigenous self-identification in its hiring processes. This is to safeguard against the use of incorrect, incomplete, or misleading information in circumstances in which a candidate has made a declaration of Indigenous citizenship or membership. Candidates who are invited for an interview or who are short-listed, and who have made a declaration of Indigenous citizenship or membership for material advantage at Western, including where required or preferred for the position, will be asked to have their declaration of Indigenous citizenship or membership affirmed through a relational accountability process, led by the Office of Indigenous Initiatives (OII), that is consistent with Indigenous ways of knowing, being, and doing. Please contact the OII directly for details on the affirmation processes: https://indigenous.uwo.ca/. The policy can be viewed at: POLICY 1.58 - Affirming Declarations of Indigenous Citizenship or Membership at Western University.

About Us: The Verspeeten Family Cancer Centre provides state-of-the-art radiation therapy services that include 9 modern radiation therapy machines (including an Ethos unit), HDR and LDR brachytherapy, and access to CT, MRI, PET-CT for treatment planning and monitoring. The Radiation Treatment Program provides high quality, innovative radiation treatment services and supports a strong academic Radiation Oncology Division with active research and training programs in Radiation Oncology, Therapy and Medical Physics. The Division currently has 21 staff Radiation Oncologists.

As the academic hub for cancer care in our region, we combine three essential forces: the delivery of complex, person-centered care; the education of the next generation of oncologists, scientists and health professionals; and the pursuit of discovery that drives new treatments and cures. Guided by our strategic plan we align the strengths of our clinicians, scientists, educators, and partners to reduce the burden of cancer and improve lives in London, across Canada and globally.

The Faculty: The Schulich School of Medicine & Dentistry at Western University is one of Canada's preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students, and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.

The University: Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

To Apply: Applicants are invited to forward a Letter of Interest/Statement of Academic Qualifications, Curriculum Vitae, and the names and addresses of three referees in pdf format. As well as a complete application form, located at:
