

**2-Year Limited-Term – Lecturer or Assistant Professor
Arthur Labatt Family School of Nursing**

The [Faculty of Health Sciences](#) at Western University, seeks a dedicated educator to join our leading edge [Arthur Labatt Family School of Nursing](#) with over a 100-year history of academic and research excellence. The School is one of seven in a progressive Faculty and offers academic programs in nursing at undergraduate, masters, and doctoral levels. A new state-of-the-art building for the School opened in January 2017.

This is a 2-year appointment as a Limited-Term faculty member. Compensation and rank will be commensurate with educational qualifications and experience. The successful candidate will support the continuing evolution and delivery of the *BScN Collaborative and Compressed Time Frame* programs according to curriculum needs. Responsibilities may include classroom, laboratory, simulation, clinical teaching, scholarly activity, and service to the School, Faculty, University, and profession as appropriate. A minimum of a Master of Science degree in Nursing (or related field) or a Master of Nursing, as well as a Baccalaureate degree in Nursing, is required. Applicants for this position will be Registered Nurses (Regular or Extended class) and hold a current licence entitling them to practice with no restrictions with the College of Nurses of Ontario.

Successful candidates will have a strong understanding and demonstrated application of adult learning principles, a learner-centered philosophy of teaching, learning, and evaluation, teaching experience at the baccalaureate level, recent nursing practice experience, a strong interest in the teaching/educator career path in nursing and a commitment to excellence in teaching and learning. Experience or ability to deliver undergraduate content in one or more of the following domains would be beneficial: health informatics, simulated practice, or clinical assessment in addition to experience with curriculum development and technology-enabled learning.

[Western University](#) is one of Canada's leading research-intensive universities. It is in London, Ontario, with a vibrant population of 527,000. Supported by an academic health sciences network, the region is known for excellence and leadership in integrated teaching, research, and health care.
