3-Year Limited-Term Lecturer or Assistant Professor
Arthur Labatt Family School of Nursing

The Arthur Labatt Family School of Nursing, with a proud 98 year history of academic and research excellence, seeks an emerging/accomplished academic for a 3-year appointment as a Limited-Term Lecturer or Assistant Professor. Rank and compensation will be commensurate with educational qualifications and experience. The successful candidate will support the continuing evolution and delivery of the BScN Collaborative and the Compressed Time Frame programs according to curriculum needs. Responsibilities may include classroom, laboratory, simulation, clinical teaching, scholarly activity, and service to the School, Faculty, University, and profession as appropriate. A Master of Science degree in Nursing or a Master of Nursing, as well as a Baccalaureate degree in Nursing is required. Preference may be given to individuals with a PhD or nearly completed PhD in Nursing or a relevant discipline. Candidates with a PhD and relevant teaching experience may be assigned to teach a graduate course as appropriate.

Successful candidates will have a strong understanding and demonstrated application of adult learning principles, a learner-centered philosophy of teaching, learning, and evaluation, teaching experience at the baccalaureate level, recent nursing practice experience, a strong interest in the teaching/educator career path in nursing and a commitment to excellence in teaching and learning. Knowledge and expertise in teaching and learning in flexible learning and simulated learning environments are assets. Applicants for these positions will be Registered Nurses (Regular or Extended class) and hold a current licence entitling them to practice with no restrictions with the College of Nurses of Ontario.

The Arthur Labatt Family School of Nursing School is one of six in a progressive Faculty of Health Sciences (http://www.uwo.ca/fhs/) and offers academic programs in nursing at undergraduate, masters, and doctoral levels. Support for research development and teaching are available through the Nursing Research Unit, the Faculty, and University and Teaching Support Centre (http://www.uwo.ca/tsc/) respectively. Exceptional simulated learning environments in the School facilitate the application of professional knowledge and abilities. A new state-of-the art building for the School opened in January 2017.
