

**FACULTY POSITION  
Limited-Term - Health and Aging  
School of Health Studies**

The Faculty of Health Sciences (<http://www.uwo.ca/fhs/>) at Western University invites applications for a 2-year limited-term faculty appointment at the rank of Lecturer or Assistant Professor, in Health and Aging. The successful candidate will be appointed to the School of Health Studies (<http://www.uwo.ca/fhs/shs/>) and will be responsible for providing dynamic educational experiences at undergraduate and/or graduate levels that will complement existing strengths in the School. Principal duties will include the development and teaching of courses that include, but are not limited to:

**HS 3702A/B – Aging Mind**

**HS 3704A/B – Population Aging and Health**

**HS 4740A/B – Chronic Disease Prevention and Management**

**HS 4705A/B – Aging and Community Health**

**HS 4710A/B – Palliative and End of Life Care**

Candidates must hold a PhD or Master's degree in a related health field, have demonstrated excellence in teaching in the area of Health and Aging, and an enthusiasm for quality education. Preference may be given to candidates with a PhD in an area related to the study of health and aging. The successful candidate will also have demonstrated expertise in developing and teaching courses in traditional and flexible learning environments, including online delivery. Evidence of engagement or prior working relationships with relevant community partner organizations will also be considered an asset given the School's focus on evidence and practice-based education. The successful candidate will be expected to participate in relevant service to both the School of Health Studies and the broader university community. The successful candidate will have a demonstrated capacity to contribute substantively to an inclusive and diverse academic community. Rank and salary will be commensurate with educational qualifications and experience. The anticipated start date of this appointment is **July 1, 2021, or as negotiated.**

The School of Health Studies is a leader in the generation of contemporary and transformative knowledge with real-world impact in the areas of health and health care, which span a broad range of innovative research programs addressing the health of children, adults and elderly, and vulnerable populations. Our undergraduate curriculum provides students with foundational and specialized training in the personal and social determinants of health. The interdisciplinary focus of the School of Health Studies is unique in the Faculty of Health Sciences, making it an ideal place to learn about rapidly evolving health environments and diverse health-related experiences through an integrated, diverse set of disciplinary perspectives.

Western University (<http://www.uwo.ca/>) delivers an academic experience second to none. Western challenges the best and brightest faculty, staff, and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence, and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social, and cultural growth to better serve our communities.

Interested applicants are invited to submit a complete application package **as a single PDF**, containing the following:

- Curriculum vitae
- Teaching dossier
- Cover letter that outlines their interest and qualifications for the role, and a statement on Equity, Diversity, and Inclusion in relation to their academic activities
- Names and contact information of three academic referees
- completed *Application for Full-Time Position form*  
(<http://www.uwo.ca/facultyrelations/pdf/careers/Faculty/Application-FullTime-Faculty-Position-Form.pdf>)
