

FACULTY POSITION
2-Year Limited-Term - Lecturer or Assistant Professor
Arthur Labatt Family School of Nursing

The Faculty of Health Sciences at Western University seeks an emerging academic to join our leading edge Arthur Labatt Family School of Nursing (the School; <http://www.uwo.ca/fhs/nursing/>) with a 100-year history of academic and research excellence. The School, one of six in a progressive Faculty, offers academic programs in nursing at undergraduate, masters, and doctoral levels. Exceptional simulated learning environments in the School facilitate the application of professional knowledge and abilities. A new state-of-the art building for the School opened in January 2017.

The appointment will be **Clinical Practice Faculty Lead** in a two-year Limited-Term faculty position at the rank of Lecturer or Assistant Professor. Rank and compensation will be commensurate with educational qualifications and experience. The successful candidate will teach across undergraduate programs and work closely with the Co-Associate Directors, Undergraduate Programs and a faculty and staff team in the development and provision of evidence-informed clinical practice education. Additionally, they will provide leadership, mentorship, and support to preceptors and clinical instructors and work to forge new, and strengthen existing, connections and collaborations with community partners and agencies. The successful candidate will have the opportunity to engage in educational and/or research scholarship, including knowledge dissemination and exchange activities, to advance evidence in the field.

The successful candidate will have a strong understanding and demonstrated application of adult learning principles; a learner-centered philosophy of teaching, learning, and evaluation; teaching experience at the baccalaureate level; and recent nursing practice and clinical teaching experience. The successful applicant will also have a demonstrated capacity to contribute substantively to an inclusive and diverse academic community. Knowledge and expertise in teaching and learning in flexible learning and simulated learning environments are assets. Applicants will be Registered Nurses (Regular or Extended class), hold a current licence entitling them to practice with no restrictions with the College of Nurses of Ontario and have a Master's degree in Nursing (or be completed by the start date of appointment).
