

**Department of Physical Medicine & Rehabilitation
Schulich School of Medicine & Dentistry, Western University
Clinical Academic Appointment: Clinician Researcher**

Position Profile: The Department of [Physical Medicine and Rehabilitation](#) at the Schulich School of Medicine & Dentistry, at Western University and St. Joseph's Health Care London is seeking a full-time Psychiatrist in the field of Stroke Rehabilitation (Clinician Researcher).

Qualifications: Candidates must hold an MD with certification in Physical Medicine and Rehabilitation from the Royal College of Physicians and Surgeons of Canada and be licensed through the College of Physicians and Surgeons of Ontario. The successful candidate will be a Clinician Researcher with excellent clinical (stroke, MSK), communication, collaboration and research skills (collaborative and/or independent research capability), who is eligible to hold a full-time Clinical Academic appointment at the rank of Assistant, Associate or Professor.

The successful candidate will have an opportunity to work with a vibrant interdisciplinary stroke rehabilitation team in both inpatient and outpatient settings at Parkwood Institute, a specialized rehabilitation hospital in London, Ontario. Additionally, the successful candidate will have opportunities to engage in a robust stroke rehabilitation research network in London, the home of the internationally recognized Evidence Based Review in Stroke Rehabilitation (EBRSR), and to develop and drive stroke rehabilitation research projects in new and exciting directions.

About Us: The Department of Physical Medicine & Rehabilitation (PM&R) at the Schulich School of Medicine & Dentistry at Western University is comprised of exceptional clinicians, ground-breaking researchers and a great team of residents and administrative staff. As a group, we strive to innovate and achieve excellence in our clinical work, research and educational programs while maintaining an accepting and inclusive work environment. At the core of all we do, our focus remains on our patients, and in supporting them in their pursuit of achieving maximal function and participation in life in the context of stroke, spinal cord injury, acquired brain injury, amputation, childhood onset conditions, musculoskeletal disorders, or neuromuscular disorders.

About Western: With annual research funding exceeding \$220 million, and an international reputation for success, Western ranks as one of Canada's top research-intensive universities. Our research excellence expands knowledge and drives discovery with real-world application. Western also provides an exceptional employment experience, offering competitive salaries, a wide range of employment opportunities and one of Canada's most beautiful campuses.

Western, like many postsecondary institutions in Canada, is moving beyond the sole reliance upon Indigenous self-identification in hiring designated Indigenous roles to safeguard against use of incorrect, incomplete, or misleading information regarding claims of Indigenous identity. Candidates who are invited for an interview will be asked to have their claim to Indigenous identity (First Nations, Métis, and Inuit) affirmed through a relational accountability process, led by the Office of Indigenous Initiatives (OII), that is consistent with Indigenous ways of knowing, being, and doing. Please contact the OII directly for details on the affirmation processes:

<https://indigenous.uwo.ca/>.

To Apply: Applications will be accepted until the position is filled. Review of applications will begin February 1, 2026, with an anticipated start date of July 1, 2027

Application: Interested candidates should send

1. Application for [Full-Time Clinical Faculty Position Form](#)
2. CV
3. Letter of Interest/Statement of Academic Qualifications
4. Names and email addresses of 3 Academic References

Compensation will be based on qualifications and experience and will be comprised of a mix of fees for service billings, academic salary and alternative funding plan.

Dr. Keith Sequeira

Professor, Schulich School of Medicine and Dentistry, Western University

Chair, Department of Physical Medicine and Rehabilitation
