

**Director of Graduate Orthodontics – Full-time Probationary (tenure-track) or tenured
or Full Professor (tenured)
Schulich School of Medicine & Dentistry
University of Western Ontario
London, Ontario, CANADA**

The University of Western Ontario (Western University) is an internationally renowned research-intensive university that is ranked among the top-ten in Canada and prides itself in the “student experience” of its educational programs. Included in these programs are medical (MD) and dental (DDS) students within the Schulich School of Medicine & Dentistry (the School), which accounts for the only other dental school in Ontario that is outside of Toronto. The Schulich School of Medicine & Dentistry has a long tradition of excellence, beginning with the founding of the medical school in 1881 and continuing with the formation of the dental school in 1964. It is one of Canada’s preeminent medical and dental schools and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Accordingly, the dental school draws on a highly qualified and talented pool of applicants that train in very rigorous and demanding professional programs. The didactic content is enriched by the medical sciences, and the clinical experience supported by local general and specialist practitioners and a large patient pool from across Southwestern Ontario. At Schulich Dentistry, we prepare graduates to provide outstanding dental care as well as generate knowledge through cutting-edge basic and clinical research. We also provide oral health care to the public through our on-site clinics and our community outreach programs, and have recently significantly upgraded our Simulation Clinic which provides a venue for practical training in undergraduate operative, fixed and removable prosthodontic, endodontic, and oral surgical technique.

Applications are invited from exceptional candidates for the position of endowed Antonios Mamandras Chair in Graduate Orthodontics at the Schulich School of Medicine & Dentistry to begin on July 1, 2021 or as soon as possible thereafter. The successful candidate will be appointed at the rank of Associate Professor (full-time probationary (tenure track) or tenured) or Full Professor (tenured). Rank will be commensurate with the successful applicant’s qualifications and experience. Qualified applicants will have completed a DDS/DMD degree (or equivalent) and an advanced degree as a Dental Specialist in Orthodontics. Candidates must be eligible for full or academic registration (licensure) as a dentist within the Province of Ontario, as stipulated by the Royal College of Dental Surgeons of Ontario (RCDSO). Applicants must have a record of achievement in research and publication appropriate to the stage of their career. The successful candidate will serve as the Chair of the Graduate Orthodontics Residency Program and will be responsible for the supervision of the Graduate Orthodontics Clinic, orthodontic education and scholarship. She/he will be expected to maintain a strong research program, promote and support research opportunities for our residents. She/he will work closely with the School of Dentistry’s academic and operational leadership to ensure excellence in program delivery, clinical care, education, and research. In addition to her/his leadership role in the Graduate Orthodontics Residency Program, she/he will participate in the teaching, research, and service activities of Schulich Dentistry. Compensation will be commensurate with qualifications and experience.

With a full-time enrolment of 32,000, Western University graduates students in a full range of academic and professional programs. The University campus is in London, a city of 404,000, located midway between Toronto and Detroit. With parks, tree-lined streets and bicycle trails, London is known as the “Forest City”. London boasts an international airport, galleries, theatre, music and

sporting events. See www.ledc.com/why-london to learn more. For further information, please see: www.schulich.uwo.ca/dentistry and www.london.ca. Western's Recruitment and Retention Office is available to assist in the transition of successful applicants and their families.

Applicants must complete the "Application for Full-Time Faculty Position" form at (www.uwo.ca/facultyrelations/pdf/full-time-application-form.pdf) and submit this form along with the following: (1) cover letter, (2) detailed curriculum vitae, (3) brief description of research accomplishments and future plans, 4) a one-page teaching statement that describes their teaching experience and philosophy, and (5) the names and contact information of three references to:

Dr. Bertha M. Garcia
Vice-Dean & Executive Director, Dentistry
Schulich School of Medicine & Dentistry
The University of Western Ontario
1151 Richmond St., London, ON, N6A 5C1
Canada

Applications can also be emailed to s.dentistry.recruitment@schulich.uwo.ca. Review of applications will begin after March 22, 2021. Applications will be accepted until the position is filled.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous peoples, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Devin Hutchinson, william.hutchinson@schulich.uwo.ca or 519-661-2111 Ext. 82823.
