

**Clinical Academic Appointment: Clinical Teacher in Palliative Care,
Department of Family Medicine
Schulich School of Medicine & Dentistry
Western University**

The Department of Family Medicine at the Schulich School of Medicine & Dentistry, Western University, is inviting applications for one full-time clinical academic teaching position within an innovative and exciting Department of Family Medicine.

Candidates must hold an MD or equivalent with certification from the College of Family Physicians of Canada and be eligible for licensure in the Province of Ontario. The candidate must have completed a third year of training in Palliative Care and must have or be eligible for a certificate of added Competency in Palliative Care from the College of Family Physicians of Canada. A relevant master's degree or interest in pursuing a Master's in clinical science (Family Medicine or medical education) is preferred. Clinical practice experience is preferred and experience and interest in research is essential. The successful candidate will be a Clinician Teacher and hold a full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor depending upon qualifications and experience at the time of appointment.

Compensation will be based on qualifications and experience and will be composed primarily of the following sources: clinical income, alternate funding plan and academic support.

The successful candidate will be expected to start on November 1, 2019 or as negotiated.

The position will be located at LHSC – University Hospital. The successful candidate will conduct a palliative care consultation service in conjunction with a Nurse Practitioner, and manage a small palliative care unit. While the majority of the full time work will be at University Hospital it is expected that the physician will be part of a Citywide team of physicians providing Palliative Care and will be expected to provide service at other sites within the city when required. Teaching and supervision of family medicine residents, clinical clerks and medical students in the practice will be required. The successful candidate will also be expected to engage in scholarly activities, suitable to an academic practice, such as administration, teaching innovation and research.

The Department of Family Medicine is an academic leader of family medicine in Canada. The Department is committed to developing exemplary family physicians and future leaders in healthcare through clinical excellence, professional education, administrative leadership and robust research. Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

Western University is one of Canada's leading research-intensive universities, and Schulich Medicine & Dentistry has a long history of excellence in basic biomedical, applied and clinical research. Western has a full range of academic and professional programs for over 37,000 undergraduate and graduate students. The university campus is in London, with a metropolitan census of approximately 530,000, located midway between Toronto and Detroit. London boasts an international airport, galleries, theatre, music and sporting events and is located close to several lakes and facilities for outdoor activities (<https://www.ledc.com/why-london>). Western's Recruitment and Retention Office is available to assist in the transition of successful applicants and their families to the university and city.

Please send letters of application with Curriculum Vitae, names of three references, and please ensure that the form available at: <https://www.uwo.ca/facultyrelations/careers/pdf/application-full-time-clinical.pdf> is included with your application via email to:
