CLINICAL ACADEMIC COMPLEX MALIGNANT HEMATOLOGY POSITION

Position Profile: The [Department of Oncology](#), Schulich School of Medicine & Dentistry, at Western University, Windsor Regional Hospital is seeking a physician for a full-time clinical academic appointment to Western University. Applicants should be certified, or eligible for certification, in General Internal Medicine and Hematology by the Royal College of Physicians and Surgeons of Canada, or equivalent. Candidates must have an MD or equivalent, and must be eligible for licensure in the province of Ontario. The successful candidate will hold a limited term academic appointment at the rank of Assistant Professor.

Academic and Clinical Environment: The Oncology Department in Windsor comprises 16 medical/hematology and radiation oncologists. Successful candidates will participate in the academic and clinical missions of the Department. Clinical service commitments may include, but are not limited to, consultation and management of patients with malignant hematologic disorders in the outpatient clinic and on the inpatient service.

Qualifications: The successful candidate must be certified in General Internal Medicine and Hematology. This position requires the successful candidate to have training in malignant hematology, complex malignant hematology and experience in the management of stem cell transplantation. The candidate will also have the training to manage inpatient solid tumour and non-complex malignant hematology patients while on-call for the oncology service.

It is anticipated that a competitive candidate will be qualified to participate or lead innovation and/or research within one of the oncology areas of scholarship, patient safety/quality improvement, and medical education. Experience in research and teaching is required and experience in stem cell transplantation will be given preferential consideration.

The successful candidate will be an excellent communicator and collaborator with strong leadership skills. As an Academic Oncologist, the successful candidate for this position will have a record of proven ability for teaching and will be expected to teach at the undergraduate and graduate levels

The successful candidate should be familiar with Ontario's Health Care system including experience working in an academic, tertiary teaching hospital.

Compensation Details: Compensation for this position will be provided through membership in the Ontario Oncology Association and an alternative funding plan.

The City: The Windsor Campus is an exciting collaborative venture between Western University, the University of Windsor and the London and Windsor hospitals bringing a 4-year MD program and postgraduate residency training to the Windsor area. The Windsor Campus

opened as a formal Regional Medical Campus in 2008. Initially there were 24 Year-1 medical students in 2008, then 30 in 2009 and 38 each year afterwards. Today there are 152 students across four years of undergraduate medical education (UME) in this community. Additionally, the Windsor Campus supports a range of postgraduate training across a variety of specialties including full-time trainees in Family Medicine and Psychiatry. The Campus also supports upwards of 230 visiting residents a year, from London and other communities throughout the country and on an international scale. Windsor Campus is being delivered at the Dr. Murray O'Neil Medical Education Centre on the campus of the University of Windsor, at Windsor Regional Hospital, Hôtel-Dieu Grace Healthcare and at other regional education sites throughout Windsor and Essex County.

The University: Since 1878, Western University has been committed to serving our communities through the pursuit of academic excellence and by providing students, faculty, and community members with life-long opportunities for intellectual, social, and cultural growth. We seek excellent students, faculty, and staff to join us in what has become known as the “Western Experience” – an opportunity to contribute to a better world through the development of new knowledge, new abilities, new connections, and new way to make a difference.
