

**The University of Western Ontario  
Faculty of Science**

Applications are invited for the position of **Associate Dean, Research**. Applicants must hold a tenured position in the Faculty of Science. The appointment will be effective on September 1, 2021. The successful candidate will have demonstrated leadership ability, excellent communication skills and the ability to establish and maintain strong and positive relationships with faculty and staff members. The successful candidate will have a proven track record in administrative experience, teaching and research, and a commitment to enhancing collegiality, diversity and interdisciplinarity across the Faculty of Science.

The Associate Dean, Research reports to the Dean of Science. Duties of the position include providing a resource for faculty members and Department chairs on research practices and grant programs; being an active representative of the faculty with Research Western, the council of ADRs, and the Core Planning Group, as well as during the development of large-scale interdisciplinary research projects; and performing outreach and negotiations to support government and industrial research partnerships. The Associate Dean, Research is also responsible for oversight of faculty research awards, the Canada Research Chairs program, the Canadian Foundation for Innovation envelope, core research facilities, intellectual property, and research ethics, integrity and compliance. The Associate Dean Research supervises a team of research and development officers within the Faculty of Science and works closely with the Director of Development and the development team. The Associate Dean, Research is a member of the Science leadership team, participating in the annual budget planning process with specific responsibility for articulating research directions, reviewing research progress, and allocating the Research Infrastructure Support Fund.

Applications should include a CV and a statement of intent and qualifications. Nominations and applications should be addressed:

Matt Davison, Dean  
Faculty of Science  
North Campus Building  
Via email to Peter Vink: [pvink2@uwo.ca](mailto:pvink2@uwo.ca)

Review of nominations and applications will begin August 15, 2021 and continue until the position is filled.

*Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous peoples, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.*

*Accommodations are available for applicants with disabilities throughout the recruitment process.*

*If you require accommodations for interviews or other meetings, please contact Peter Vink at [pvink2@uwo.ca](mailto:pvink2@uwo.ca)*
