12.1 Evaluations of a Member’s performance of Academic Responsibilities in the area of Teaching shall be based on the information in a Member’s Performance Report submission that speaks to accomplishments in Teaching. 12.5 Where a Member has been on Leave of Absence or Elected Public Office Leave, and the Leave was in excess of six months, the period of Leave shall be removed from the three-year period considered in the assessment of performance of Academic Responsibilities. to the Member’s Dean and to the Member. This assessment shall include written comments. If a Member’s performance falls below good in any area of Academic Responsibility, these comments shall include advice on areas for development and/or opportunities for formative support or mentorship.

13.1 If the Dean or designate accepts the assessment, it shall be placed in the Member’s Official File and a copy supplied to the Member.

13.2 If the Dean or designate does not accept the assessment, the Dean or designate shall so inform the Member and the Performance Evaluation Committee, and shall provide reasons for non-acceptance of the assessment. In the case of a Member with a Joint Appointment, those present shall, as applicable, be the Chair(s), Director(s) and Dean(s) of both Units where the appointment is held. The purpose of this meeting is to give the Dean an opportunity to hear submissions of the Member and consider whether reassessment is warranted.

13.4.1 Within two weeks of this meeting, the Dean or designate shall provide a written report of the meeting to the Member. This report shall advise whether a reassessment is warranted and shall provide the results of that reassessment. This report shall also set out any concerns in respect of performance, the circumstances giving rise to such concerns, and any support or mentoring that has been agreed upon. This report shall be placed in the Member’s Official File.

15. The Performance Evaluation process described in this Article shall be separate from promotion and tenure processes described in the Article Promotion, Tenure and Continuing Status, and disciplinary processes described in the Article Discipline, except as specifically outlined in this Collective Agreement.

15.1 The Association and the Employer agree that a categorization by the Performance Evaluation Committee of a Member’s performance as being “below the acceptable level” in any or all of Teaching, Research and Service does not of itself constitute proof of a Member’s failure to discharge their Academic Responsibilities through incompetence or neglect of duties in any or all of these areas of activity. The Association and the Employer further agree that such a categorization may only constitute background information in an allegation by the Employer that a Member has failed to discharge their Academic Responsibilities through incompetence or neglect of duties. The facts leading to, and following from, such a categorization, but not the categorization itself, may be considered as evidence of such failure in the event of an arbitration hearing.
