ACADEMIC POSITION - DIVISION OF GASTROENTEROLOGY – LIVER TRANSPLANTATION

The Department of Medicine, Division of Gastroenterology, Schulich School of Medicine & Dentistry, at The University of Western Ontario, and its affiliated hospitals is seeking a physician for full-time clinical academic appointment to The University of Western Ontario. Applicants should be certified, or eligible for certification, by the Royal College of Physicians and Surgeons of Canada, or equivalent. Candidates must have an MD or equivalent, and must be eligible for licensure in the province of Ontario.

The candidate will participate in the Liver Transplant program at University Hospital. The program is the oldest liver transplant program in Canada and does approximately 65 adult liver transplants per year. The candidate will primarily participate in the inpatient and outpatient liver transplant service in addition to a general Hepatology ambulatory practice. There is opportunity to participate in the Gastroenterology team and outpatient endoscopy. Experience in research activities in clinical care settings or education will be attributes.

The University of Western Ontario is situated in picturesque London, Ontario, a city of approximately 367,000 along the banks of the Thames River. The City of London is a vibrant community with many family-friendly amenities and has one of the lowest cost of living rates in Ontario. The University of Western Ontario is a prominent academic institution that has made a commitment to balance its teaching and research mission and excel as a research intensive university. General information about the University can be found at http://communications.uwo.ca/comms/. Information about the Schulich School of Medicine & Dentistry can be found at www.schulich.uwo.ca

Applicants for this position will also have a commitment to, and demonstrated aptitude for, teaching and will be expected to teach at the undergraduate and graduate levels and to supervise graduate trainees. Expected role includes education of fellows, residents, and medical students in an ACE Unit, out-patient, and community/regional outreach setting. Opportunities include team innovative and educational program development. Consideration of applicants will include an assessment of previous performance, qualifications, including qualifications which go beyond the requirements for the position, and experience. **Rank, term of appointment and salary will be commensurate with qualifications and experience.**

Those interested in applying for these positions should forward a statement of interest, a curriculum vitae and have at least three letters of reference sent to:
