CLINICAL ACADEMIC PSYCHIATRIST
Adult Eating Disorders Program
Department of Psychiatry
Schulich School of Medicine & Dentistry, Western University,
London Health Sciences Centre (LHSC)

The Department of Psychiatry and Schulich School of Medicine & Dentistry at Western University is inviting applications for a full-time clinical academic faculty position for a General Adult Psychiatrist to work with our Adult Eating Disorders Program at the London Health Sciences Centre (LHSC). Academic rank and appointment status will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario with certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada (RCPSC) or be eligible for an academic license from the Royal College.

We are seeking an academic psychiatrist to work with Adult Eating Disorders Program. This program provides assessment, consultation, day treatment and residential treatment to adults 18 years or older with a diagnosed eating disorder. The Adult Eating Disorders Program has a multi-disciplinary team that provides primarily group-based interventions. The incumbent will be involved with our other Mental Health Services as time allows and will be actively involved with education of medical students, psychiatric residents, and subspecialty residents. The candidate must have record of relevant teaching experience with outstanding evaluations; demonstrated expertise and/or experience in General Adult Psychiatry; adult eating disorders, major mental illness and an ability to function and lead multidisciplinary teams. In addition, there are opportunities to participate in clinical research activities. Many resources exist to foster career development, and the position includes an attractive compensation package.

Compensation will be based on qualifications and experience and will be composed primarily of the following sources: fee for service, alternate funding plan and academic support. Relocation expenses may also be negotiable.

London, Ontario is a city with a metropolitan census of 530,000 located two hours from Detroit, Buffalo, and Toronto. It has all the amenities of a large city without the traffic congestion. Known as the “Forest City”, it has abundant green space and wooded trails. It is close to Lake Ontario and Lake Huron and in the heart of excellent summer theatre. It has outstanding family amenities and schools.

Interested candidates should submit a letter of intent and accompanying curriculum vitae, along with the names of three references to be contacted, to:

Dr. Paul Links, Chair, Department of Psychiatry,
Schulich School of Medicine & Dentistry, Western University
Chief of London Affiliated Hospitals Mental Health Services
c/o Parkwood Institute Mental Health Care Building, Rm F4-430
550 Wellington Road
London, Ontario N6C 0A7

Please ensure that the form available at: http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf is completed and included in your application.

The position will remain open until filled; review of applications will begin on Oct. 5, 2015.
Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. Western University is committed to employment equity and diversity in the workplace and welcomes applications from all qualified individuals, including women, members of visible minorities, aboriginal persons, persons with disabilities, and persons of any sexual orientation or gender identity.
