Limited-Term Faculty Position

The Department of Physiology and Pharmacology at Western University is seeking a candidate for an academic appointment at the rank of Assistant Professor in our undergraduate education programs. If qualifications and experience warrant a higher rank, the appointment will be made at the rank of Associate Professor. The initial appointment is a three-year, limited-term position with the potential for renewal.

The successful candidate will be a full-time educator with responsibilities in the undergraduate medical and undergraduate dental education programs in relation to the two disciplines Physiology and Pharmacology; duties will include lecturing in selected courses, coordinating aspects of our Department teaching to undergraduate medical and dental students, providing leadership and representation for our Department by interfacing with Schulich Education offices, and being involved in curriculum development. Participation in Department education committees and involvement in academic counseling, outreach and student recruitment activities will also be expected. The successful candidate must hold a PhD, or equivalent, in Physiology and/or Pharmacology or a closely related discipline. Candidates must have a strong record of teaching or the potential to excel in teaching at the undergraduate level. The successful applicant must demonstrate excellent interpersonal, organizational and communication skills, and be able to work both independently and as part of a collaborative team. The anticipated start date is July 1, 2015 or as negotiated.

The Department of Physiology and Pharmacology (http://www.uwo.ca/physpharm) is the largest basic medical science department in the Schulich School of Medicine & Dentistry with over 85 associated faculty members, 110 graduate students, 25 postdoctoral fellows, and 40 staff. The Department has a strong commitment to undergraduate, graduate and professional education. Western has a full range of academic and professional programs for over 32,000 undergraduate and graduate students. Further information about the Schulich School of Medicine & Dentistry and Western can be found at www.schulich.uwo.ca and www.uwo.ca. Western’s Recruitment and Retention Office is available to assist in the transition of successful applicants and their families.

The application submission should include: 1) a detailed Curriculum Vitae, 2) a brief statement of teaching accomplishments and other relevant experience, and 3) the names of three referees.

Please ensure that the form available at http://www.uwo.ca/facultyrelations/faculty/Application-FullTime-Faculty-Position-Form.pdf is completed and included in your application submission.

Please email the complete application to:

Dr. R. Jane Rylett, Chair
Department of Physiology and Pharmacology
Schulich School of Medicine & Dentistry
Western University
physpharm.admin@schulich.uwo.ca

Applications will be accepted until the position is filled. Review of applications will begin after March 15, 2015.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Western is committed to employment equity and diversity in the workplace and welcomes applications from all qualified individuals including women, members of visible minorities, aboriginal persons, persons with disabilities, and persons of any sexual orientation or gender identity.
