Position for Academic Child and Adolescent Psychiatrist  
Department of Psychiatry  
Schulich School of Medicine & Dentistry

The Department of Psychiatry and Schulich School of Medicine & Dentistry at Western University is inviting applications for a full-time clinical academic faculty position for a Child and Adolescent Psychiatrist with the London Health Sciences Centre (LHSC). The academic rank will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario with certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada (RCSC) or be eligible for an academic license with the Royal College.

The preferred candidate will be certified or will meet Practice Eligibility Requirements for Child and Adolescent Psychiatry (CAP) Subspecialty with the plan to write the Royal College CAP Subspecialty examination by September 2017.

We are seeking an academic psychiatrist to work with other psychiatrists on our inpatient Child and Adolescent Service, Consultation Liaison Service and Ambulatory Care Service. The inpatient service has 12 acute care beds and provides exceptional interdisciplinary care for children and youth up to age 18 years. The Ambulatory Care Service provides assessment and follow-up care and a full range of therapeutic interventions including psychopharmacology, individual, family and group psychotherapy to children and adolescents with mental health problems. The incumbent will be actively involved with education of medical students, psychiatric residents, sub specialty residents in Child and Adolescent Psychiatry and pediatric residents. Thus the candidate must have record of relevant teaching experience with outstanding evaluations; demonstrated expertise in Child and Adolescent Psychiatry and an ability to function and lead multidisciplinary teams. In addition, there are opportunities to participate in clinical research activities; many resources exist to foster career development and the position includes an attractive compensation package

London is located in the heart of Southwestern Ontario. Situated between the shores of Lakes Huron and Erie, the region has numerous small picturesque towns and lakeside villages, each with its own unique charm. The area is known for its summer theatre including the Stratford Festival, and its locally grown food and wine. London is a medium-sized city (approximate population 350,000) with the amenities of a large city and a regional catchment area of approximately 1,500,000. London houses a number of art galleries, theatres, and a symphonic orchestra and prides itself on having an excellent public school system. Conveniently located in Southwestern Ontario approximately half-way (2 hours) between Toronto and Detroit, London also has an international airport and a national train service.

Interested candidates should submit a letter of intent and accompanying curriculum vitae, along with the names of three references to be contacted, to:

Dr. Paul Links, Chair, Department of Psychiatry, Schulich School of Medicine and Dentistry, Western University
Chief of London Affiliated Hospitals Mental Health Services
c/o Regional Mental Health Care – London,
850 Highbury Avenue
London, Ontario  N6A 4H1

Review of applications will begin October 1, 2014 and will be accepted until position is filled.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. The University of Western Ontario is committed to employment equity and welcomes applications from all qualified women and men, including visible minorities, aboriginal people and persons with disabilities.
