The Department of Psychiatry and Schulich School of Medicine & Dentistry at Western University is inviting applications for a full-time clinical academic faculty position for a General Adult Psychiatrist with the London Health Sciences Centre (LHSC). The academic rank will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario with certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada (RCPSC) or be eligible for an academic license from the Royal College.

We are seeking an academic psychiatrist to work with our Workplace Safety and Insurance Board (WSIB) outpatient clinic and with our general ambulatory service at LHSC. The WSIB clinic and our ambulatory services provide assessment and follow-up care and a full range of therapeutic interventions including psychopharmacology, ECT, individual, family and group psychotherapy to adults with mental health problems. The incumbent will be actively involved with education of medical students, psychiatric residents, and subspecialty residents. The candidate must have record of relevant teaching experience with outstanding evaluations; demonstrated expertise in General Adult Psychiatry (especially in psychological trauma); major mental illness and an ability to function and lead multidisciplinary teams. Previous experience in workplace mental health is desirable. In addition, there are opportunities to participate in clinical research activities, many resources exist to foster career development and the position includes an attractive compensation package.

London, Ontario is a city with a metropolitan census of 530,000 located two hours from Detroit, Buffalo, and Toronto. It has all the amenities of a large city without the traffic congestion.
