The Office of Interprofessional Education & Practice Workshop Series

Workshop Schedule 2019-20

Poverty: Healthcare Access to Families
Understanding the Unique Contributions to Healthcare Access by Families Living in Poverty
Facilitated By: Shane Clarke, Tracy Smith Carrier and Colleen O’Connor

Saturday, Oct. 26, 2019
10 a.m. - 1 p.m.
Brescia University College Atrium

Receive an introduction to interprofessional education and concepts, while learning about the unique social and economic challenges encountered by individuals, children and families in poverty attempting to access health care.

Travel Through The Professions
at Fanshawe Open House

Gain insight into the roles and responsibilities of specific professions in healthcare through interactive demonstrations, case study and panel discussion. This event is intended for first and second year students in health/medical/social programs at Fanshawe College and Western, however upper year students are welcome.

Palliative Care & Exemplary End of Life Care Considerations
Facilitated By: Dr. Eunice Gorman and Janette Byrne

Tuesday, Jan.21, 2020
5 p.m. - 8 p.m.
Fanshawe College

Work within an interprofessional team to strengthen understanding of interprofessional concepts and learn content related to loss, death, grief, and healing.

Encountering the Complexities of Pain in Practice
Facilitated By: Dr. Joshua Lee

Wednesday, Mar. 25, 2020
5 p.m. - 8 p.m.
Western University, FIMS and Nursing Building

Learn about pain assessment tools and understand social challenges faced by those with acute or chronic pain, through working collaboratively on a case study within an inter-professional team.
