

Western HealthSciences

Brescia School of Food and Nutritional Sciences

FN 3351A: Clinical Nutrition I (Section 001) Fall 2025

Campus Supports

Western University is committed to a **thriving campus**. For help with:

- Both physical and mental health, go to [Wellness & Wellbeing](#)
- Studying with disabilities, go to [Accessible Education](#)
- Writing skills, go to the [Writing Support Centre](#)
- Learning skills and strategies, go to [Learning Development & Success](#)
- Contacting the ombudsperson, go to the [Office of the Ombudsperson](#)

Your course instructor can also **guide you** to available campus resources and/or services.

Important Dates

Table 1 Important Dates

Classes Begin	Reading Week	Classes End	Study day(s)	Exam Period
September 4	November 3–9	December 9	December 10	December 11–22

September 30, 2025, is National Day for Truth and Reconciliation and is a non-instructional day
December 1, 2025: Last day to withdraw from a first-term half course without academic penalty

Technical Requirements

 Stable internet connection

 Laptop computer

NOTE: All course information including grades, assignment outlines, deadlines, etc. are available via [OWL Brightspace](#). Download the Brightspace Pulse App to stay up-to-date on course communication and enable your notification settings within “Communications” in the top toolbar. Check the website regularly for course announcements. If you need assistance, visit [OWL Brightspace Help](#) or contact the [Western Technology Services Helpdesk](#). They can be contacted by phone at 519-661-3800 or ext. 83800.

Calendar Course Description (including prerequisites/anti-requisites):

Introduction to the profession of nutrition and dietetics, medical nutrition therapy and the nutrition care process including modifications of regular diets to meet special nutritional needs, menu planning and documentation of nutritional care.

Prerequisite(s): Foods and Nutrition 1070A/B or Foods and Nutrition 2070A/B; Foods and Nutrition 1241A/B or Foods and Nutrition 2241A/B; Foods and Nutrition 2230A/B. Registration in the Honours Specialization in Nutrition and Dietetics. Pre-or Corequisite(s): Foods and Nutrition 3344A/B. Course Weight: 0.50

Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

NOTE: If you wish to enroll in this course without the stated pre-requisite(s), you must obtain written approval from the course instructor. The approval should then be forwarded to your academic counsellor.

Delivery Mode: in-person

Learning Outcomes

Upon successful completion of this course, you will be able to:

1. Define the role of dietitians in clinical settings and understand the dietetic scope of practice.
2. Describe the clinical settings in which dietitians work, including hospitals, outpatient clinics, and community health programs.
3. Recognize the importance of working with healthcare teams to support patient care.
4. Understand the Nutrition Care Process (NCP) model as a framework for clinical practice.
5. Learn how to document the NCP using standard terminology, with a focus on the assessment phase.
6. Apply methods for assessing nutritional status; interpret and analyze data from nutritional assessments to identify nutrition diagnoses.
7. Apply evidence-based guidelines and research findings to inform clinical decision-making.
8. Describe how diet and nutrition impact the development and management of common chronic diseases (e.g., obesity, diabetes, cardiovascular disease).
9. Outline principles of therapeutic diets and nutrition interventions for common clinical conditions.
10. Explain dietary modifications needed to manage conditions like hypertension, diabetes, and kidney disease.
11. Identify ethical issues that may arise in clinical nutrition and dietetics practice, such as patient autonomy, privacy, confidentiality and cultural competence.
12. Appreciate cultural diversity in dietary practices and incorporate into clinical recommendations.

Integrated Competencies for Dietetic Education and Practice (ICDEP) (Specific to the Brescia School of Food and Nutritional Sciences, Honors Specialization in Nutrition and Dietetics)

As an accredited dietetic program in Canada, we are required to meet the ICDEP. These competencies consist of 7 interrelated Domains (areas) of Practice Competencies: Food and Nutrition Expertise, Professionalism and Ethics, Communication and Collaboration, Management and Leadership, Nutrition Care, Population Health Promotion, and Food Provision. This course is designed to ensure that students who complete the course as outlined obtain certain competencies in the above domains. This is required to meet entry level dietetic practice.

Course Content and Schedule

Table 5: Course content and schedule

Week	Dates	Topic	Readings*	Things due	Tutorial
1	Sept 5	Course outline and tutorial Introduction to clinical nutrition and dietetics	Text: Chapter 1 Nutrition Care Snapshot (OWL)	None	N/A
2	Sept 8-12	Overview of the role of the Registered Dietitian and Scope of Practice Other members of the interdisciplinary health care team Food in hospitals	Text: Chapter 2 (2.1-2.5)	Exit Ticket #1 – Sept 13	No Tutorial
3	Sept 15-19	Nutrition care process and standardized language Nutrition care plan Nutrition education and counseling Medical record and charting Medical abbreviations	Text: Chapter 3 (3.1-3.5, 3.8-3.12; Box 3.6), Chapter 4 (4.4-4.8), Chapter 6 (pp 123-132) Appendix J (A-97 medical abbreviations for reference) Dangerous Abbreviations (Owl)	Exit Ticket #2 – Sept 20 Quiz #1 – Sept 20	#1

Week	Dates	Topic	Readings*	Things due	Tutorial
4	Sept 22-26	Drug-nutrient interactions Factors affecting food intake High-energy, high-protein nutrition care plan Liquid diets Oral nutritional supplements and enteral formulas	Text: Chapter 9, Chapter 5 (5.1-5.2) & Chapter 4 (4.1-4.3)	Exit Ticket #3 – Sept 27 Quiz #2 – Sept 27	#2
5	Sept 29-Oct 3	Neurological diseases Dysphagia	Text: Chapter 12 (p.361 – 363 Dysphagia), Chapter 18	In class Test #1 – Wednesday, Oct 1 Exit Ticket #4 – Oct 4 Quiz #3 – Oct 4	#3
6	Oct 6-10	Food intolerances and allergies Celiac disease Lactose intolerance	Text: Chapter 8 (8.11); Chapter 13 (403-413)	No Exit Ticket or Quiz	#4
7	Oct 13-17	Oct 13 – Thanksgiving – No Class Irritable bowel syndrome (IBS) FODMAPs Diarrhea/Constipation	Text: Chapter 12 (pp 254-284), Chapter 13 (391-399 diarrhea and constipation; 406-421)	Assignment #1 Due – Oct 15 Exit Ticket #5 – Oct 18 Quiz #4 – Oct 18	No Tutorial
8	Oct 20-24	Eating Disorders Weight Bias	Text: Chapter 10 (10.6)	Exit Ticket #6 Oct 25 Quiz #5 – Oct 25	#5

Week	Dates	Topic	Readings*	Things due	Tutorial
9	Oct 27-31	Metabolic syndrome Obesity and weight management	Text: Chapter 10 (pp 243-272)	In class Test #2 – Wednesday, Oct 29 Exit Ticket #7 – Nov 1 Quiz #6 - Nov 1	#6
10	Nov 3-7	Reading Week	N/A	N/A	No Tutorial
11	Nov 10-14	Nutrition management of renal disease	Text: Chapter 16	Exit Ticket #8 – Nov 15 Quiz #7 - Nov 15	#7
12	Nov 17-21	Type 2 diabetes mellitus Lifestyle management Meal planning using 'Beyond the Basics'	Text: Chapter 15	Exit Ticket #9 – Nov 22 Quiz # 8 - Optional	#8
13	Nov 24-28	Nutrition management of cardiovascular diseases Part 1: Dyslipidemia	Text: Chapter (11.5-11.6)	Exit Ticket #10 – Nov 29 Quiz # 9 - Optional	#9
14	Dec 1-5	Nutrition Management of cardiovascular diseases Part 2: Congestive heart failure and hypertension	Text: Chapter (11.3-11.4; 11.7-11.11)	Assignment #2 DUE – Dec 1 Exit Ticket #11 – Dec 6 Quiz # 10 - Optional	#10
15	December 8	Catch-up and review	N/A	N/A	Optional

***Additional readings will be posted to OWL Brightspace**

All course material will be posted to OWL Brightspace: <https://westernu.brightspace.com/>. If students need assistance with OWL Brightspace, they can seek support on the [OWL Brightspace Help](#) page. Alternatively, they can contact the [Western Technology Services Helpdesk](#) online or by phone at 519-661-3800 or ext. 83800 for technical support. Current versions of all popular browsers (e.g., Safari, Chrome, Edge, Firefox) are supported with OWL Brightspace; what is most important is that you update your browser frequently to ensure it is current. All JavaScript and cookies should be enabled.

Course Materials You Must Acquire

- Nelms, M., Roberts, KM. 2026. Nutrition Therapy & Pathophysiology. 5th edition.

Cengage, Mason, OH. (Main Text). Print: \$176.45; eBook: \$80.00

- It is strongly encouraged to review the case studies and review questions within the assigned chapters.
- Please ensure you have access to current editions (available free online) for Diagnostic and Laboratory References (SI units will be used for all case studies and class material) and Medical Dictionaries for Health Professionals.
 - [Merck Manual – Professional Version](#)

Assessments and Evaluation

Below is the evaluation breakdown for the course. Any deviations will be communicated.

Table 6: Assessments' details

Assessment	Format	Weight	Due Date	Flexibility	Learning Outcome
Online quizzes x 7	Multiple choice and true/false	10%	Weekly	Drop lowest 2 ¹	1-10
Test #1 ² In class	Multiple choice and short answer	15%	Wednesday Oct 1, 2025		1, 2, 3, 4
Test #2 ² In class	Multiple choice and short answer	15%	Wednesday Oct 29, 2025		4-9
Tutorial Assignment #1	Written	7.5%	Wednesday October 15 2025	72-hour no late penalty ³	4-9
Tutorial Assignment #2	Written	7.5%	March 28, 2025	72-hour no late penalty ³	4-10
Exit Tickets ⁴	Written	10%	Weekly		All
Final Exam ⁵ (Cumulative)	Multiple choice, short answer and case study	35%	During final exam period TBD	Not applicable	All

Notes:

1. This course has 7 quizzes. The 5 quizzes with the highest marks will be counted towards your final grade. Academic consideration requests will be denied for the first 2 missed quizzes. Academic Consideration requests may be granted when students miss more than 2 quizzes. These additional missed quizzes will be equally reweighed if Academic Consideration is approved.
2. If you miss either one of these tests, and academic consideration is approved, your final exam will be reweighed, in accordance with Western's Academic Consideration Policy.
3. Students are expected to submit this assignment by the deadline listed. Should extenuating circumstances arise, students are permitted to submit their assignment up to 72 hours past

the deadline without a late penalty. No Academic Consideration is required for this extension. Students submitting their assessment beyond the extended deadline will receive a penalty of 1% per hour that it is late. Academic Consideration requests may be granted only for extenuating circumstances that began before the deadline and lasted longer than the extension. Students must not provide medical or compassionate documentation to the instructor.

4. This course has 11 weekly exit tickets. Students will have until 23:59 EST on Saturday to complete the exit tickets through the link on Brightspace. Students who complete 8 out of 11 exit tickets will receive the full 10%. Students who complete less than 8 will receive 0.
5. Students must obtain a minimum of 50% on the final exam to successfully complete the course.

General information about assessments

- All assignments are due at 23:59 EST unless otherwise specified
- Students are responsible for ensuring that the correct file version is uploaded; incorrect submissions including corrupt files could be subject to late penalties (see below) or a 0
- After an assessment is returned, students should wait 24 hours to digest feedback before contacting their evaluator; to ensure a timely response, reach out within 7 days
- Any grade appeals on term work must be initiated with the instructor within 3 weeks of the grade being posted. See the [University Policy on Undergraduate Student Appeals](#) for more information

The table below outlines University-wide grade descriptors.

Table 7: University-wide grade descriptors

Letter grade	Number grade	Description
A+	90-100	One could scarcely expect better from a student at this level
A	80-89	Superior work which is clearly above average
B	70-79	Good work, meeting all requirements, and eminently satisfactory
C	60-69	Competent work, meeting requirements
D	50-59	Fair work, minimally acceptable
F	below 50	Fail

Rounding of Grades (for example, bumping a 79 to 80%)

This is a practice some students request. The final grade documented is the grade that you have achieved. There is no rounding to the next grade level, or 'giving away' of marks. Please don't ask me to do this for you; the response will be "please review the course outline where this is presented".

Information about late or missed assessments:

- Late assessments without academic consideration will be subject to a late penalty of 1% per hour

Course-specific conditions:

- There are 10 required tutorials in this course. Students must attend, and participate in, 7 out of 10 tutorials to pass the course. Academic Consideration requests may be granted only for extenuating circumstances supported by documentation. Students must not provide medical or compassionate documentation to the instructor.
- Students must obtain a minimum of 50% on the final exam to successfully complete the course.

INC (Incomplete Standing): If a student has been approved by the Academic Advising Office (in consultation with the instructor/department) to complete term work at a later date, an INC will be assigned. Students with INC will have their course load in subsequent terms reduced to allow them to complete outstanding course work. Students may request permission from Academic Advising to carry a full course load for the term the incomplete course work is scheduled.

SPC (Special examination): If a student has been approved by the Academic Advising Office to write a Special Examination and the final exam is the only outstanding course component, an SPC will be assigned. If the class has a makeup exam, the student is expected to write the makeup exam. If the class doesn't have a makeup exam or the student misses the makeup exam for reasons approved by the Academic Advising Office, the student will write the exam the next time the course is offered. Outstanding SPCs will reduce the course load for the term the exam is deferred as outlined in [Types of Examinations](#) policy

Academic Policies and Statements

Support Services

There are various support services around campus and these include, but are not limited to:

1. Academic Support and Engagement - <http://academicsupport.uwo.ca>
2. Wellness and Well-being - <https://www.uwo.ca/health/>
3. Registrar's Office -- <http://www.registrar.uwo.ca/>
4. Ombuds Office -- <http://www.uwo.ca/ombuds/>

The websites for Registrarial Services (<http://www.registrar.uwo.ca>), and the same for affiliated university colleges when appropriate, and any appropriate Student Support Services (including the services provided by the USC listed here: <http://westernusc.ca/services/>) and the Student Development Services, should be provided for easy access.

Students who are in emotional/mental distress should refer to Mental Health@Western (<https://www.uwo.ca/health/>) for a complete list of options about how to obtain help.

Statement on Gender-Based and Sexual Violence

Western is committed to reducing incidents of gender-based and sexual violence and providing compassionate support to anyone who has gone through these traumatic events. If you have experienced sexual or gender-based violence (either recently or in the past), you will find information about support services for survivors, including emergency contacts at:

https://www.uwo.ca/health/student_support/survivor_support/get-help.html.

Student Code of Conduct

The purpose of the Code of Student Conduct is to define the general standard of conduct expected of students registered at Western University, provide examples of behaviour that constitutes a breach of this standard of conduct, provide examples of sanctions that may be imposed and set out the disciplinary procedures that the University will follow. For more information, visit <https://www.uwo.ca/univsec/pdf/board/code.pdf>

Absence from Course Commitments

Students must familiarize themselves with the Policy on [Academic Consideration – Undergraduate Students in First Entry Programs](#)

Students missing course work for medical, compassionate, or extenuating circumstances can

request academic consideration by completing a request at the [central academic consideration portal](#). Students are permitted one academic consideration request per course per term **without** supporting documentation. Note that supporting documentation is **always** required for academic consideration requests for examinations scheduled by the office of the registrar (e.g., December and April exams) and for practical laboratory and performance tests (typically scheduled during the last week of the term).

Students should also note that the instructor may **designate** one assessment per course per term that requires supporting documentation. This designated assessment is described elsewhere in this document. Academic consideration requests may be denied when flexibility in assessment has already been included. Examples of flexibility in assessment include when there are assessments not required for calculation of the final grade (e.g. 8 out of 10 quizzes), when there is flexibility in the submission timeframe (e.g. 72 hour no late penalty period), or when timed assessments (e.g., quizzes) are available over an extended period of time (e.g., when you are given a 72 hour time period to start – and finish – the assessment). Please note that any academic considerations granted in this course will be determined by the instructor of this course, in consultation with the academic advisors in your Faculty of Registration, in accordance with information presented in this course syllabus. Supporting documentation for academic considerations for absences due to illness should use the [Student Medical Certificate](#) or, where that is not possible, equivalent documentation by a health care practitioner.

Accommodation for Religious Holidays

Students should review the policy for [Accommodation for Religious Holidays](#). Where a student will be unable to write examinations and term tests due to a conflicting religious holiday, they should inform their instructors as soon as possible but not later than two weeks prior to writing the examination/term test. In the case of conflict with a midterm test, students should inform their instructor as soon as possible but not later than one week prior to the midterm.

Special Examinations

A Special Examination is any examination other than the regular examination, and it may be offered only with the permission of the Dean of the Faculty in which the student is registered, in consultation with the instructor and Department Chair. Permission to write a Special Examination may be given on the basis of compassionate or medical grounds with appropriate supporting documents. To provide an opportunity for students to recover from the circumstances resulting in a Special Examination, the University has implemented Special Examination dates. The Faculty of Health Sciences has set School-specific dates for these Special Examinations. Please speak with your instructor about the date on which the Special Examination for this course will be held.

Academic Offences

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website: http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf.

Plagiarism

Student work is expected to be original. Plagiarism is a serious academic offence and could lead to a zero on the assignment in question, a zero in this course, or your expulsion from the university. You are plagiarizing if you insert a phrase, sentence or paragraph taken directly from another author without acknowledging that the work belongs to him/her. Similarly, you are plagiarizing if you paraphrase or summarize another author's ideas without acknowledging that the ideas belong to someone else. All papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted will be included as source documents in the

reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between Western University and Turnitin.com (www.turnitin.com).

Use of Artificial Intelligence for the Completion of Course Work

Within this course, you may only use artificial intelligence tools (e.g., “ChatGPT”) in ways that are specifically authorized by the course instructor. All submitted work must reflect your own thoughts and independent written work.

Re-submission of Previously Graded Material

Without the explicit written permission of the instructor, you may not submit any academic work for which credit has been obtained previously, or for which credit is being sought, in another course or program of study in the University or elsewhere.

Use of Statistical Pattern Recognition on Multiple Choice Exams

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

Accessibility Statement

Please contact the course instructor if you require material in an alternate format or if you require any other arrangements to make this course more accessible to you. You may also wish to contact Accessible Education (AE) at 661-2111 x 82147 for any specific question regarding an accommodation or review [The policy on Accommodation for Students with Disabilities](#)

Correspondence Statement

The centrally administered e-mail account provided to students will be considered the individual’s official university e-mail address. It is the responsibility of the account holder to ensure that e-mail received from the University at their official university address is attended to in a timely manner. Students are further expected to attend to announcements presented through Brightspace, and to read emails generated in this way.

Use of Electronic Devices

During Exams

Unless you have medical accommodations that require you to do so, or explicit permission from the instructor of the course, you may not use any electronic devices (e.g., cell phones, tablets, cameras, smart glass, smart watches, or iPods) during ANY tests, quizzes, midterms, examinations, or other in-class evaluations. **These devices MUST either be left at home or with your belongings at the front of the room. They MUST NOT be at your test/exam desk or in your pocket. Any student found with a prohibited device will receive an automatic grade of zero on the test or exam.**

During Lectures and Tutorials

Although you are welcome to use a computer during lecture and tutorial periods, you are expected to use the computer for scholastic purposes only, and refrain from engaging in any activities that may distract other students from learning. From time to time, your professor may ask the class to turn off all computers, to facilitate learning or discussion of the material presented in a particular class.

Copyright and Audio/Video Recording Statement

Course material produced by faculty is copyrighted and to reproduce this material for any purposes other than your own educational use contravenes Canadian Copyright Laws. Unless explicitly noted otherwise, you may not make audio or video recordings of lectures – nor may

you edit, re-use, distribute, or re-broadcast any of the material posted to the course website.

Contingency Plan for an In-Person Class Pivoting to 100% Online Learning

In the event of a situation that requires this course to pivot to online content delivery, all remaining course content will be delivered entirely online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on Brightspace for students to view at their convenience). The grading scheme will **not** change. Any remaining assessments will also be conducted online as determined by the course instructor

Note that disruptive behaviour of any type during online classes, including inappropriate use of the chat function, is unacceptable. Students found guilty of Zoom-bombing a class or of other serious online offenses may be subject to disciplinary measures under the Code of Student Conduct.

Online Proctoring

Tests and examinations in this course may be conducted using a remote proctoring service. By taking this course, you are consenting to the use of this software and acknowledge that you will be required to provide **personal information** (including some biometric data) and the session will be **recorded**. Completion of this course will require you to have a reliable internet connection and a device that meets the technical requirements for this service. More information about this remote proctoring service, including technical requirements, is available on Western's Remote Proctoring website at: <https://remoteproctoring.uwo.ca>.

Appealing a Grade Within this Course

You have the right to appeal any grade within this course. The grounds for a grade appeal may be one or more of: medical or compassionate circumstances, extenuating circumstances beyond the student's control, bias, inaccuracy, or unfairness. All grounds advanced in a request for relief must be supported by a clear and detailed explanation of the reasons for the request together with all supporting documentation.

Appeals generally proceed in this order:

1. Course instructor (informal consultation)
2. Department Chair (submission of written request)
3. The Dean of the Faculty (submission of written request)

In the case of perceived procedural unfairness, steps 2 and 3 are carried out within the Department and Faculty offering the course. In the case of extenuating medical or compassionate circumstances that impact on a grade, steps 2 and 3 are carried out within a student's Home Department and Faculty.

A request for relief against a mark or grade must be initiated with the instructor as soon as possible after the mark is issued. In the event that the instructor is not available to the student, or fails to act, or if the matter is not resolved satisfactorily with the instructor, a written request for relief must be submitted to the Chair of the Department within three weeks of the date that the mark was issued. In the case of a final grade in a course, the written request for relief must be submitted to the Chair of the department by January 31st (for first-term half courses) or June 30th (for second-term half courses or full-year courses)
