

## School of Kinesiology

### Independent Study and Research Form KIN 9611/9711

Student Name:

Student Number:

#### Select Term of Enrollment and Completion:

<b>Fall Term Enrollment</b>	<b>Application Submission Deadline: August 31</b> <b>Complete and Graded Independent Study Due: December 15</b>
<b>Winter Term Enrollment</b>	<b>Application Submission Deadline: December 15</b> <b>Complete and Graded Independent Study Due: April 15</b>
<b>Summer Term Enrollment</b>	<b>Application Submission Deadline: April 15</b> <b>Complete and Graded Independent Study Due: August 15</b>

Note: Please submit hardcopies of the application and final graded document directly to the Kinesiology Graduate Program Office.

#### Regulations:

1. This Independent Study form must be completed and signed by the student and instructor and approved by the Graduate Chair two (2) weeks prior to the start of the term in which the Independent Study will be undertaken (as indicated in the note above).
2. Due date for submission of the completed and graded Independent Study is indicated above.
3. A grade of incomplete can only be submitted for medical or compassionate reasons.
4. One hardcopy of the completed and graded Independent Study should be submitted to the Kinesiology Graduate Program Office, by the dates indicated above, for the course to be considered complete.
5. The Graduate Program Chair will not forward the KIN 9611/9711 grade to the Office of the Registrar until a copy of the final report has been submitted.
6. Masters and PhD students in the thesis option may enroll in a maximum of two (2) courses of KIN 9611/9711. Master's students in a non-thesis option may take a maximum of the equivalent of one and a half full courses. Normally, one independent study is completed in a given term.

**Note: KIN 9611/9711 cannot be directly related to the thesis, i.e., review of the literature, prospectus development, collection of data to be used in the student's thesis.**

**Suggested Topic Title:**

Outline: Indicate nature (e.g., literature review or small research project) and Scope of Study (brief description of study – aims/objectives)

Describe criteria used in assigning grade:

Provide preliminary list of readings used in course:

Indicate how often student/faculty member will meet to discuss progress of Independent Study:

Student Acknowledgement:

This Independent Study is **not** related to my thesis.

***I have read and acknowledge the Regulations listed on page 1 and will ensure my Independent study is submitted by the due date listed on page 1 of this proposal document.***
