

## Prerequisite Form

### Western University: Combined MCISc/PhD Program in Audiology/Hearing Science

Applicant's Full Name:

Applicant's User ID or  
Reference Number:

List the courses you have taken that satisfy the Communication Sciences and Disorders: Audiology program prerequisites. These can be found by visiting [www.uwo.ca/fhs/csd](http://www.uwo.ca/fhs/csd) . In particular:

Each applicant must have successfully completed at least *one half-course* from each of the following areas:

- Developmental Psychology or Normal Lifespan Development
- Statistics
- Human Anatomy, Human Physiology, Physiological Psychology or Neuroscience
- Social Science/Psychology/Linguistics covering basic human processes important for communication sciences and disorders. Acceptable courses include: Physiological Psychology, Neuropsychology, Sensation, Perception, Language and Memory, Language Acquisition, Phonetics, Phonology, Pragmatics or Introduction to Speech, Language and/or Hearing Sciences or Disorders.

*We strongly encourage students to have completed at least one course in mathematics, physics or engineering science.*

All prerequisites must be either complete or in progress as of the application deadline. For courses in progress, indicate "IPR" in the column titled "Final Grade."

You are required to submit detailed course descriptions, from the university calendar, for each course you propose will fulfill the academic prerequisite. Do not re-key these course descriptions; rather, upload photocopies to your application file.

*Information should be written as it appears in your transcript.*

	Course Title	Course Code	University (Where the course was taken)	Start Date (yyy/mm)	Full/Half Year (Credit weight)	Final Grade
Developmental Psychology/Normal Lifespan Development						
Statistics						
Human Anatomy, Human Physiology, Physiological Psychology or Neuroscience						
Social Science/Psychology/Linguistics covering basic human processes important for communication sciences and disorders. Acceptable courses include: Physiological Psychology, Neuropsychology, Sensation, Perception, Language and Memory, Language Acquisition, Phonetics, Phonology, Pragmatics or Introduction to Speech, Language and/or Hearing Sciences or Disorders.						
*Mathematics, Physics or Engineering Science						

\* Recommended but not required.

By signing this form, you indicate that you have read the instructions above and that you have provided truthful information.
