

SUBJECT TO CHANGE

THE UNIVERSITY OF WESTERN ONTARIO
LONDON, CANADA

School of Health Studies
Health Sciences 4620F – Foundations of Mental Health

COURSE DESCRIPTION

A survey of contemporary and historical issues in mental health sciences, including: the relation between mental and physical health and related concepts of disability; evolution and comparison of various diagnostic systems; in-depth case studies on issues such as pain, addiction, marketing and testing of pharmaceutical products; and culture bound syndromes.

LEARNING OUTCOMES

By the end of this course, students should be able to:

- Investigate and discuss some aspects of history of psychiatry and mental health.
- Investigate and discuss mental health and mental disorder as they have been conceptualized by multiple paradigmatic perspectives.
- Investigate and discuss various psychiatric treatments.
- Describe and discuss paradigm shifts that have taken place in psychiatry and mental health over the last century, and the various agendas (political, professional, corporate, patient care) that have influenced these.
- Engage and employ skills of critical thinking, analysis and reflection.
- Write a comprehensive and coherently articulated written assignment.
- Participate in the co-creation of a learning experience that is vital and engaging.

Prerequisites: Health Sciences 2610F/G; enrollment in 3rd or 4th year of Bachelor of Health Sciences Program.

NOTE: Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Extra Information: 2 lecture hours. Course Weight: 0.50

COURSE INFORMATION

Instructor: Dr. Marnie Wedlake, PhD, RP

Email: mwedlak@uwo.ca (contact me using this email address only – PLEASE INCLUDE THE COURSE NUMBER IN THE SUBJECT LINE)

Office Hours: TBA – Meetings will take place using Zoom (sign-up available in OWL)

Teaching Assistant(s): TBA

Course Website: <https://owl.uwo.ca>

Days & Times of Lectures:

Location of Lectures:

ASSIGNED READINGS AND OTHER COURSE MATERIALS

There are no textbooks for this course. All assigned readings will be available, without cost, through Western's Library System, online and/or through our OWL site.

Readings and course materials will be assigned for each topic of the course. Sources might include peer reviewed journal articles, grey literature, popular press articles, films, video clips, and website content. Materials assigned will correspond to the lecture topic. Additional materials may be assigned at any time, and will be posted on the course website. Students are responsible for the content covered in all assigned course materials.

**A COMPLETE LIST OF LECTURE TOPICS AND ASSIGNED READINGS
WILL BE POSTED TO OWL BEFORE THE FIRST CLASS.**

LEARNING ENVIRONMENT

This course experience will function according to the assumption that successful learning happens in environments where learning is co-created by the instructor and the students.

As the instructor, I will endeavour to provide students with course experiences that are optimally engaging, motivating, and interesting. In return, I will expect students to attend all classes, and contribute to the collaborative nature of the learning experience through their active participation in discussions, by completing the assigned readings, and by offering constructive feedback as will be deemed useful to the overall learning experience.

Ideally, we will co-create a learning environment that welcomes and encourages group dialogues that are dynamic, passionate, and open-minded. That is, a learning experience that is vital and engaging for all. In this regard, it is my hope that we will come together in the spirit of community and shared interest to co-create a learning environment that is supported by civility and mutual respect. In doing so, we will set the stage for a healthy and stimulating intellectual forum.

Finally, if you are having problems with any aspect of the course, please contact me. I'm genuinely committed to your learning experience, I'm approachable, and I welcome your comments, your constructive criticisms and, of course, your questions.

EVALUATIONS

1. Mind Map – 5%. **Must be submitted through OWL by** Details will be posted to OWL.
2. Take Home Mid-term Examination – 30%. Details will be posted to OWL.
3. Written Assignment – 30%. There will be a choice of options for this assignment. Details will be posted to OWL.
4. Final Examination – 35% - **Scheduled by The Registrar, during the final exam period.**

PLEASE NOTE THE FOLLOWING REGARDING EXAMS:

- The final exam is cumulative.
- Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.
- Makeup exams will be different from those originally scheduled, and may include multiple choice, written and/or short answer questions.
- Examinable materials may include any content covered/presented in classes, including: lecture content, content presented by guest speakers, any/all assigned readings, videos, etc.

LAND ACKNOWLEDGEMENT

We/I acknowledge that Western University is located on the traditional territories of the Anishinaabek (Ah-nish-in-a-bek), Haudenosaunee (Ho-den-no-show-nee), Lūnaapéewak (Len-ahpay- wuk) and Chonnonton (Chun-ongk-ton) Nations, on lands connected with the London Township and Sombra Treaties of 1796 and the Dish with One Spoon Covenant Wampum.

With this, I respect the longstanding relationships that Indigenous Nations have to this land, as they are the original caretakers. I acknowledge historical and ongoing injustices that Indigenous Peoples (e.g. First Nations, Métis and Inuit) endure in Canada, and I accept responsibility as a public institution to contribute toward revealing and correcting miseducation as well as renewing respectful relationships with Indigenous communities through our teaching, research and community service.

GENERAL COURSE NOTES

Statement on prerequisite checking:

Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Statement on contingency plan for in-person pivoting to online learning:

Contingency plan for an in-person class pivoting to 100% online learning:

In the event of a COVID-19 resurgence during the course that necessitates the course delivery moving away from face-to-face interaction, all remaining course content will be delivered entirely online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on OWL for students to view at their convenience). The grading scheme will not change. Any remaining assessments will also be conducted online as determined by the course instructor.

In the event of a COVID-19 resurgence during the course that necessitates the course delivery moving away from face-to-face interaction, tests and examinations in this course will be conducted using a remote proctoring service. By taking this course, you are consenting to the use of this software and acknowledge that you will be required to provide personal information (including some biometric data) and the session will be recorded. Completion of this course will require you to have a reliable internet connection and a device that meets the technical requirements for this service. More information about this remote proctoring service, including technical requirements, is available on Western's Remote Proctoring website at: <https://remoteproctoring.uwo.ca>.

Statement on plagiarism checking software:

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com/>)

Statement on multiple-choice exams:

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

Statement on academic consideration:

The University recognizes that a student's ability to meet their academic responsibilities may, on occasion, be impaired by extenuating circumstances, including short-term illness or injury. Reasonable academic consideration is a cooperative process between the University, the student, and academic staff. All participants in the process must act in good faith, and fulfil their respective obligations, if it is to succeed.

Students who experience an extenuating circumstance (illness, injury, or other extenuating circumstance) sufficiently significant as to temporarily render them unable to meet academic requirements, may submit a request for academic consideration through the following routes:

- (i) For medical absences, submitting a Student Medical Certificate (SMC) signed by a licensed medical or mental health practitioner, in order to be eligible for Academic Consideration; or

- (ii) For non-medical absences, submitting appropriate documentation (e.g., obituary, police report, accident report, court order, etc.) to academic advising office in their Faculty of registration, in order to be eligible for academic consideration.

Students seeking academic consideration:

- Are advised to consider carefully the implications of postponing tests or midterm exams or delaying handing in work;
- Are encouraged to make appropriate decisions, based on their specific circumstances, recognizing that minor ailments (e.g., upset stomach) or upsets (e.g., argument with a friend) are not normally an appropriate basis for an SMC;
- Are advised that all necessary documentation, forms, etc. are to be submitted to the academic advising office within two business days after the date specified for resuming responsibilities

Statement on use of electronic devices:

During Exams: Unless you have medical accommodations that require you to do so, or explicit permission from the instructor of the course, you may not use any electronic devices during ANY tests, quizzes, midterms, examinations, or other in-class evaluations.

During Lectures and Tutorials: Although you are welcome to use a computer during lecture and tutorial periods, you are expected to use the computer for scholastic purposes only, and refrain from engaging in any activities that may distract other students from learning. From time to time, your professor may ask the class to turn off all computers, to facilitate learning or discussion of the material presented in a particular class. Unless explicitly noted otherwise, you may not make audio or video recordings of lectures – nor may you edit, re-use, distribute, or re-broadcast any of the material posted to the course website.

Statement on Academic Offences:

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site: [Academic Calendar - Western University \(uwo.ca\)](#)

Support Services:

There are various support services around campus, and these include, but are not limited to:

1. Student Development Centre -- <http://academicsupport.uwo.ca/>
2. Student Health -- <https://www.uwo.ca/health/>
3. Registrar's Office -- <http://www.registrar.uwo.ca/>
4. Ombudsperson Office -- <http://www.uwo.ca/ombuds/>

Health and Wellness:

The undergraduate experience is rewarding and challenging socially, emotionally, and intellectually. Finding ways to balance scholarly life with our personal lives can be tough, but it's important to learn how to manage stress. Western provides several health and wellness-related services to students, which may be found at <http://www.health.uwo.ca/>. You can also check out the Campus Recreation Centre or the McIntosh Gallery (<http://www.mcintoshgallery.ca/>), for alternative spaces to reconnect with your bodies and restore your spirit. You may also want to access local resources that are closer to where you are living during the school year. Recalibrating ourselves emotionally begins with slowing down, reminding ourselves that we are ok, and taking a few deep, slow breaths. This remarkably effective strategy brings the body from stress mode into a more relaxed state.

If you are in emotional or mental distress should refer to Mental Health@Western [Mental Health Support - Health & Wellness - Western University \(uwo.ca\)](#) for a complete list of options about how to obtain help or Thames Valley Family Services (<https://www.familyservicethamesvalley.com/>), a trusted provider within the community. To help you learn more about mental health, Western has developed an interactive mental health learning module, found here: [Health & Wellness - Western University \(uwo.ca\)](#). It's also advisable to have a wellness safety plan if you don't want to reach out to formal services. Having the numbers of a few trusted individuals is another strategy.

School of Health Studies grade policy:

The university-wide descriptor of the meaning of letter grades, as approved by Senate:

A+	90-100	One could scarcely expect better from a student at this level
A	80-89	Superior work that is clearly above average
B	70-79	Good work, meeting all requirements and eminently satisfactory
C	60-69	Competent work, meeting requirements
D	50-59	Fair work, minimally acceptable.
F	below 50	Fail

It is expected that the grades for this course will fall between 74-78%. In the event that the course average falls outside this range, a constant may be added (or subtracted) from each student's grade, by the instructor, to bring the class average in line with school policy.

Common Concerns Guidelines:

The table below summarizes a list of common student concerns and how they are to be resolved. If you have a concern that is not listed here, then please email your instructor.

Concern	How to address concern
Course administrative matters	Read through the course outline or email instructor if question cannot be answered from information in the course outline
Course content questions	Refer to the OWL Resources (notes, calendar, etc). Email the instructor.
Grade disputes and requests for appeals	A student requesting an appeal to a specific course with respect to a grade for an assignment or examination must first contact their instructor to discuss such matters. Visit the following website for guide on submitting an appeal: https://uwo.ca/fhs/policies/appeals.html
