### *Prerequisites*

Both [French 2605F/G](#) and [French 2606F/G](#) (or [French 2600E](#)) or permission of the Department.

### *Description*

Through the study of the cultural productions from Francophone cultures outside of France and Canada, students will deepen their knowledge of specific productions as well as of critical approaches to them in order to be able to formulate their own critical perspectives and to communicate them effectively and accurately orally and in writing.

Ce cours propose un aperçu de la littérature francophone mondiale (Afrique, Caraïbes, Océan indien, Asie-Pacifique) dans ses traits distinctifs, esthétiques, culturels, géographiques, historiques et institutionnels, c'est-à-dire identitaires. Le cours vise, de fait, à dégager les thèmes et procédés d'écriture qui font la force de cette littérature issue d'un contexte de colonisation et de la nécessité de dire autrement ce que proposait ou imposait la culture dominante. Cet aperçu se fera à travers quelques œuvres représentatives replacées dans leurs contextes socio-historiques et discursifs de production.

## 13. How to Be Successful in this Class:

Students enrolled in this class should understand the level of autonomy and self-discipline required to be successful.

1. Invest in a planner or application to keep track of your courses. Populate all your deadlines at the start of the term and schedule time at the start of each week to get organized and manage your time.
2. Make it a daily habit to log onto OWL to ensure you have seen everything posted to help

you succeed in this class.

3. Follow weekly checklists created on OWL or create your own to help you stay on track.
4. Take notes as you go through the lesson material. Treat this course as you would a face-to-face course. Keeping handwritten notes or even notes on a regular Word document will help you learn more effectively than just reading or watching the videos.
5. Connect with others. Try forming an online study group and try meeting on a weekly basis for study and peer support.
6. Do not be afraid to ask questions. If you are struggling with a topic, check the online discussion boards or contact your instructor(s) and or teaching assistant(s).
7. Reward yourself for successes. It seems easier to motivate ourselves knowing that there is something waiting for us at the end of the task.

## 14. Western Academic Policies and Statements

### Accommodation Policies

Students with disabilities work with Accessible Education (formerly SSD) which provides recommendations for accommodation based on medical documentation or psychological and cognitive testing. The accommodation policy can be found here: [Academic Accommodation for Students with Disabilities](#).

### Academic Consideration for Student Absence

Students will have up to two (2) opportunities during the regular academic year to use an on-line portal to self-report an absence during the term, provided the following conditions are met: the absence is no more than 48 hours in duration, and the assessment for which consideration is being sought is worth 30% or less of the student's final grade. Students are expected to contact their instructors within 24 hours of the end of the period of the self-reported absence, unless noted on the syllabus. Students are not able to use the self-reporting option in the following circumstances:

- for exams scheduled by the Office of the Registrar (e.g., December and April exams)
- absence of a duration greater than 48 hours,
- assessments worth more than 30% of the student's final grade,
- if a student has already used the self-reporting portal twice during the academic year

If the conditions for a Self-Reported Absence are *not* met, students will need to provide a Student Medical Certificate if the absence is medical, or provide appropriate documentation if there are compassionate grounds for the absence in question. Students are encouraged to contact their Faculty academic counselling office to obtain more information about the relevant documentation.

Students should also note that individual instructors are not permitted to receive documentation directly from a student, whether in support of an application for consideration on medical grounds, or for other reasons. **All documentation required for absences that are not covered by the Self-Reported Absence Policy must be submitted to the Academic Counselling office of a student's Home Faculty.**

For Western University policy on Consideration for Student Absence, see [Policy on Academic Consideration for Student Absences - Undergraduate Students in First Entry Programs](#)

and for the Student Medical Certificate (SMC), see:

[http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/medicalform.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf).

### **Religious Accommodation**

Students should consult the University's list of recognized religious holidays, and should give reasonable notice in writing, prior to the holiday, to the Instructor and an Academic Counsellor if their course requirements will be affected by a religious observance. Additional information is given in the [Western Multicultural Calendar](#).

### **EVALUATION OF ACADEMIC PERFORMANCE**

At least three days prior to the deadline for withdrawal from a course without academic penalty, students will receive assessment of work accounting for at least 15% of their final grade. For 3000- or 4000-level courses in which such a graded assessment is impracticable, the instructor(s) must obtain an exemption from this policy from the Dean and this exemption must be noted on the corresponding course syllabus. In rare instances and at the Dean's discretion, other courses could receive a similar exemption, which also must be noted in the course syllabus.

### **COURSE ASSIGNMENT**

The last day of scheduled classes in any course will be the last day on which course assignments will be accepted for credit in a course. Instructors will be required to return assignments to students as promptly as possible with reasonable explanations of the instructor's assessment of the assignment.

### **ACADEMIC OFFENCES**

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site: [http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/scholastic\\_discipline\\_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

### **PLAGIARISM CHECKING**

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com <http://www.turnitin.com>.

### **MULTIPLE-CHOICE TESTS AND/OR EXAMS**

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

### **SUPPORT SERVICES**

Registrarial Services <http://www.registrar.uwo.ca>  
Student Support Services <https://student.uwo.ca/psp/heprdweb/?cmd=login>

Students who are in emotional/mental distress should refer to Health and Wellness <http://www.uwo.ca/uwocom/mentalhealth/> for a complete list of options about how to obtain help. Immediate help in the event of a crisis can be had by phoning 519.661.3030 (during class hours) or 519.433.2023 after class hours and on weekends.

## **15. Arts and Humanities / French Studies Academic Policies and Statements**

**Hardware, software, Internet connection**

Just as you would prepare yourself for an on-campus course, preparing your computer is your responsibility. Students are **responsible** for these technical requirements for this course:

- a **computer** (or equivalent device) capable of:
  - typing **French accents directly in Owl without copy-paste** (all accent mistakes count, always)
  - **web** browsing
  - **audio** recording
- a **personal back-up** solution for regularly safeguarding all work they do in this course, including all files, documents, assignments that have been sent to the instructor or uploaded by the student to Owl (this does not apply to tests and quizzes).
- an internet **connection** (high-speed)
- a compatible browser (**Firefox**, **Google Chrome**, and **Internet Explorer** are supported by **OWL**); depending on configurations, students may also need to install supplementary software such as **Java** or **Adobe Flash**.
- access to their personal **OWL by Sakai** UWO student's login

For general technical issues, please see first: <http://www.uwo.ca/its/helpdesk/>

## Taking Online Tests and Quizzes

### Code of conduct

Distance learning can only work if students live by the same ethics online as on campus. By registering in this online course, you are agreeing to the *University of Western Ontario Code of Student Conduct* (<http://www.uwo.ca/univsec/pdf/board/code.pdf>) and the *Scholastic Discipline For Undergraduate Students* (<http://www.westerncalendar.uwo.ca/2016/pg113.html>).

Ultimately, each student is responsible for his or her learning achievements, and this is why we trust that you will take online examinations as you would on campus, and this includes explicitly **not seeking outside** help (human, printed, software, web, etc.) when no indications otherwise permit you to do so.

### A quiet setting

Some online tests are metered and cannot be interrupted, so make sure to have a **quiet** environment. Turn your **phone off**, as well as all messaging or email software that could distract you with noises or **pop-up** windows.

To avoid possible software glitches, before taking a test online, it is advisable to **restart your computer** and launch only one browser application, with only one window open, and leave **no other programs running** in the background.

At the end, make sure you save all your answers before you submit for grading.

### Submitting an assignment (*Travail final*)

Instructions for assignment in Owl:

When you have finished, click *Submit* at the bottom of the screen. Do not click *Submit* until you are certain that you have completed the assignment. Once you click *Submit*, you will no longer be able to access the assignment (e.g., to add more text or attachments).

You will receive an email message confirming your submission. If you do not receive a confirmation, check to see if you have successfully submitted the assignment or contact your Instructor within 24 hours.

### **Technical difficulty**

Technical difficulties are **not** considered grounds for late or absent submissions. Technical difficulties include: French keyboard issues, audio, video, lost data, internet connection, bottlenecks on busy network, etc. Since these do happen, please **never wait to the last moment to complete work online**.

If you do not receive an automatic confirmation such as “your work has been submitted successfully” after submitting an assignment, or if for any reason you are not sure your work was submitted properly, it is your responsibility to contact the Instructor within 12 hours by email and explain your concern or technical difficulty. You will be requested to provide documentation (screen capture, date stamp, etc.) proving that the assignment was completed on time and that you attempted to submit it.

In only rare and exceptional circumstances is accommodation granted by the Department in such a case.

Students are advised to submit their work well before the deadline posted on the site, so as to avoid being caught in a “bottleneck” when many students submit assignments on OWL at the same time.

### **Communication with the Instructor about course-related matters**

- **Instructors** post regular public **announcements** that students receive on the « Announcements » section in Owl. Announcements for this course are **not** sent to your **email**, just to the Owl site, so do check the Owl site daily.
- **Instructors** will send **private messages** to students using the “Messages” tool in Owl. Students should reply to these messages from within Owl (NOT from their own email application).
- **Students** are expected to use the “Messages” tool in Owl for communicating with the Instructor about all normal course-related matters.
- Please **avoid** using the Instructor’s personal “@uwo” email for normal business pertaining to this online course.
- Students are advised to **keep a copy** of all written correspondence with the Instructor for the duration of the course.

### **Copyright and Audio/Video Recording Statement**

Course material produced by faculty is copyrighted and to reproduce this material for any purposes other than your own educational use contravenes Canadian Copyright Laws. You must always ask permission to record another individual and you should never share or distribute recordings.

### **Rounding of Marks Statement**

Across the Arts and Humanities Undergraduate programs, we strive to maintain high standards that reflect the effort that both students and faculty put into the teaching and learning experience during

this course. All students will be treated equally and evaluated based only on their actual achievement. **Final grades** on this course, irrespective of the number of decimal places used in marking individual assignments and tests, will be calculated to one decimal place and rounded to the nearest integer, e.g., 74.4 becomes 74, and 74.5 becomes 75. Marks WILL NOT be bumped to the next grade or GPA, e.g. a 79 will NOT be bumped up to an 80, an 84 WILL NOT be bumped up to an 85, etc. The mark attained is the mark you achieved, and the mark assigned; requests for mark “bumping” will be denied.
