3. Course Syllabus, Schedule, Delivery Mode

Description et objectifs du cours :

Le mot « littérature » évoque d'emblée les textes et livres, ces lieux clos, ces objets presque sans vie. Or, la littérature n'est jamais figée, elle prend toutes les formes, occupe tous les lieux, et vit parmi nous: en musique, au théâtre, au cinéma, dans la rue, au café, aux festivals, au multimédia... C'est dire que la littérature n'est pas seulement à lire, mais aussi et surtout à vivre, dans tous ses états et toutes ses métamorphoses contemporaines. Ainsi ce cours propose-t-il, à travers un corpus multimédia, une expérience vivante de la littérature.

Le cours se divisera en quelques séquences: chansons (Paul Verlaine/Jacques Prévert/Serge Gainsbourg), théâtre (théâtre de la Huchette, Festival d'Avignon), cinéma (Marguerite Duras, Pascal Quignard), manifestations diverses (les cafés « existentialistes », Radio France Culture, Marché de la Poésie, les prix littéraires...). Les étudiants seront invités à vivre pleinement et en quotidien la littérature française, et à découvrir par eux-mêmes d'autres lieux vivants de la littérature francophone.

5. Methods of Evaluation

Présence et participation	10%
Quiz en classe (2 x 15%)	30%
Journal de bord (5 x 5%)	25%
Exposé oral en classe	15%
Travail final	20%

- Présence et participation

Le bon déroulement du cours dépendra de la contribution de chacun et de chacune. Votre participation active est donc essentielle. Chaque absence non justifiée vous fera perdre 0.5 point.

- Deux quizzes sont prévus en classe, le **27 janvier** et le **10 mars**.

- Journal de bord

L'étudiant tiendra un journal de bord dans lequel il notera ses acquis (vocabulaire, grammaire, expressions, compréhension, contexte culturel, etc.), ses réflexions et ses remarques, etc. À soumettre après chaque séance. Les **5** meilleurs résultats seront retenus.

- Un exposé oral en classe portera sur un événement culturel dans la Francophonie que l'étudiant découvrira par lui-même.

- Le Travail final (environ 1000-1500 mots/4-5 pages) portera sur le contenu du cours, à remettre avant le **4 avril**.

** Late assignments (journal de bord) will not be accepted.*

Absences from in-class assessments (quiz, exposé) require Academic Consideration. If granted, a make-up will be scheduled.

Late final writing work (Travail final) requires Academic Consideration. If granted, an extension will be given.

Formal Documentation Designation statement

Please note that the final writing work (*Travail final*) is central to the learning objectives for this course. Accordingly, students seeking academic consideration for this assessment will be required to provide formal supporting documentation. Students who are granted academic

consideration for this assessment will be provided with the following opportunity to make up this work: extended deadline for submission.

Note that supporting documentation is **always** required for academic consideration requests for examinations scheduled by the office of the registrar (e.g. December and April exams) and for practical laboratory and performance tests typically scheduled during the last week of the term.

When a student receives academic considerations or academic accommodations which overlap with the built-in flexibility of the assessment, the longest period of accommodation will determine the deadline. The built-in flexibility of the assessment should not be taken to extend any considerations or accommodations.

General information about missed coursework

Students must familiarize themselves with the *University Policy on Academic Consideration – Undergraduate Students in First Entry Programs* posted on the Academic Calendar:

<https://www.uwo.ca/univsec/pdf/academicpolicies/appeals/academicconsiderationSep24.pdf>

This policy does not apply to requests for academic consideration submitted for **attempted or completed work**, whether online or in person. The policy also does not apply to students experiencing longer-term impacts on their academic responsibilities. These students should consult: [Accessible Education](#).

For procedures on how to submit Academic Consideration requests, please see the information posted on the Office of the Registrar's webpage:

<https://registrar.uwo.ca/academics/academicconsiderations/>

All requests for Academic Consideration must be made within 48 hours after the assessment date or submission deadline.

All academic consideration requests must include supporting documentation; however, recognizing that formal documentation may not be available in some extenuating circumstances, the policy allows students to make one Academic Consideration request **without supporting documentation** in this course. However, the following assessments are excluded from this, and therefore always require formal supporting documentation: the final writing work (*Travail final*).

6. Additional Statements

Statement on the Use of Generative Artificial Intelligence (AI)

In this course, students are permitted to use AI tools exclusively for information gathering and preliminary research purposes. These tools are intended to enhance the learning experience by providing access to diverse information sources. However, it is essential that students critically evaluate the obtained information, exercise independent thinking, and engage in original research to synthesize and develop their own ideas, arguments, and perspectives. The use of AI tools can serve as a starting point for exploration; however, students are expected to uphold academic integrity by appropriately attributing all sources and avoiding plagiarism. Assignments should reflect the students' own thoughts and independent written work. By adhering to these guidelines, students contribute to a responsible and ethical learning environment that promotes critical thinking, independent inquiry and allows them to produce original written contributions.

Academic Offences

All course materials created for OWL by the instructor are copyrighted and cannot be sold/shared. The recording of classes is prohibited.

All assignments must be students' original work: plagiarism is strictly prohibited. Plagiarism includes, but is not limited to, the unauthorized use of AI tools such as ChatGPT to create content that is submitted as one's own.

Scholastic offences are taken seriously, and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, here:

<http://www.uwo.ca/univsec/pdf/academicpolicies/appeals/scholasticdisciplineundergrad.pdf>.

Statement on the use of plagiarism-checking software

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

Policy on Accommodation for Religious Holidays

Students should review the [policy for Accommodation for Religious Holidays](#). Where a student will be unable to write examinations and term tests due to a conflicting religious holiday, they should inform their instructors as soon as possible but **not later than two weeks** prior to writing the examination/term test. In the case of conflict with a midterm test, students should inform their instructor as soon as possible but not later than one week prior to the midterm.

Academic Accommodation and Accessible Education

Academic Accommodation is “a means of adjusting the academic activities associated with a course or program of student in order to permit students with disabilities to participate in those activities at the University and to fulfill the essential requirements of a course or program.”

[https://www.uwo.ca/univsec/pdf/academicpolicies/appeals/Academic%20Accommodation disabilities.pdf](https://www.uwo.ca/univsec/pdf/academicpolicies/appeals/Academic%20Accommodation%20disabilities.pdf).

Students with disabilities are encouraged to register with **Accessible Education** at the earliest opportunity. “Accessible Education plays a central role in Western's efforts to ensure that its academic programs are accessible for all students.”

<http://academicsupport.uwo.ca/accessibleeducation/index.html>

Special Examinations

A Special Examination is any examination other than the regular examination, and it may be offered only with the permission of the Dean of the Faculty in which the student is registered, in consultation with the instructor and Department Chair. Permission to write a Special Examination may be given on the basis of compassionate or medical grounds with appropriate supporting documents. To provide an opportunity for students to recover from the circumstances resulting in a Special Examination, the University has implemented Special Examinations dates. These dates as well as other important information about examinations and academic standing can be found [here](#).
