Hello there

Thanks for meeting on Tuesday, August 31st. Here are the action items and an update, where applicable.

1. The revised letter from the Biohazards Subcommittee needs to be sent to Dr. Haeryfar - done Sept 1st
2. Dr. Koval will contact Steve Jarrett. Steve and Dr. Siu will make it a priority to finish the consent letter. - Dr. Koval sent e-mail to Steve Jarrett August 31st.
3. Delfina and/or Jennifer will look through old e-mails/files for information from Health Canada (or the Public Health Agency of Canada) regarding the vaccine and/or VIG. - Jennifer completed August 31
4. The vaccine/VIG will be sourced by Dr. Siu and/or Dr. Colby.
5. Dr. Siu will do a flowsheet of the vaccination/consent process.
6. The work with vaccinia will be done during regular business hours only.
- no follow-up required

Regards,
Jennifer
