STUDY ABROAD AT A WORLD TOP 100 UNIVERSITY

Ranked in the world top 100 universities (QS World University Rankings 2020) and a member of the prestigious Russell Group, the University of Sheffield is a popular destination for students from all over the globe. Sheffield is the greenest city in Europe and a third of the city lies within the Peak District National Park, a stunning landscape that's home to picturesque villages and market towns, as well as trails and routes for hiking, mountain biking and climbing.

Sheffield itself is vibrant and modern, with all the facilities you'd expect of a major UK city – restaurants and bars, cinemas, theatres and live music venues, museums and galleries, and independent and brand name shops. Located in the centre of the UK, it's a well-connected city with easily accessible and affordable transport links to other UK and European destinations.

An amazing student experience

With almost 30,000 students from over 144 countries, the University of Sheffield is home to an incredibly diverse and welcoming community.
