

1: Welcome to London

D) The weather

Welcome to Canada, eh!

- Well, you're moving to Canada, so you know what to expect...
- ...or not?
- Follow us into our four distinct and beautiful seasons: Fall, Winter, Spring and Summer.

Fall: September 22nd to December 21st

- Fall brings cool weather and snow can start falling as early as November.
- Average Temperatures: between 10°C and 12°C.
- Outdoor Activities: Harvest festivals happen throughout Middlesex County to celebrate the end of the growing season. In October, Canadians celebrate Thanksgiving - a holiday where we give thanks for the good life we enjoy.

Fall: September 22nd to December 21st

- Type of Clothing to Wear: lightweight jackets or sweaters and long-sleeved shirts.

Winter: December 21st to March 19th

- Get ready for the world-famous Canadian cold!
- Average Temperatures: -6°C (but it can often get much colder.)
- Snowfall: 200 cm (80 inches) over the whole season.

Winter: December 21st to March 19th

- Outdoor Activities: skating, snowmobiling, skiing and snowboarding.
- Type of Clothing to Wear: heavy coat, sweater, gloves, winter boots and warm hat.

Spring: March 20th to June 20th

- Spring is a great time to see all of the trees and flowers bloom in the many parks and green spaces around the city and county.
- Average Temperatures: can reach 10°C, but it will be cooler at night.
- Outdoor Activities: enjoy a nature walk.

Spring: March 20th to June 20th

- Type of Clothing to Wear: a jacket, hat, gloves and boots. For rainy days: raincoat, rubber boots and umbrella are handy.

Summer: June 21st to September 21st

- Get ready for the not-so-world-famous Canadian heat!
- Average Temperatures: 20°C but can easily climb to over 30°C. However, it may feel much warmer due to high humidity levels.
- Outdoor Activities: outdoor festivals, outdoor swimming, baseball and basketball. Canada Day is a big national celebration on July 1. Beautiful sandy beaches in Grand Bend and Port Stanley are only a 45-minute drive away.

Summer: June 21st to September 21st

- Type of Clothing to Wear: dresses, shorts, short-sleeved shirts and sandals. Shorts are not worn in most workplaces. A light jacket or sweater for cooler nights.

Keep in mind that...

- London's weather is quite changeable so the fact that you wake up to a sunny day does not mean *that* much.
- The Weather Network can be readily consulted and may become a good ally.

Awesome!

- Now you know what clothes you need to take with you.
- But... do you know what paperwork is necessary before and while staying in Canada?
- Well, join us for the next presentation which will clarify some of the steps.
