

Western Arts & Humanities

Department of Languages and Cultures
Spanish 3901G

Course Outline for Winter 2022

1. Course Description

Spanish 3901G - Art and Society: Spain and Latin America

Hispanic Arts and the Art of Writing in Spanish. Explore cultural difference by studying noteworthy figures from Latin American and Spain; be especially inspired by new and diverse voices. Immerse yourself in vivid examples of authentic cultural texts, such as photographs and short films. Continue to learn and improve your Spanish grammar in context. Special emphasis will be placed on writing activities directly related to the daily lives of students and the world around them.
