

Communication with Philosophy Staff Members

Currently, there are two ways to communicate with staff in Philosophy: via email and Zoom.

Email: please email staff if you have a question or request that they can respond to relatively quickly, in one or two reply emails. They will reply within at least 24 hours to emails received on a weekday and within 48 hours to an email received on a weekend.

Zoom: please book a Zoom meeting with staff if you have a complex query for them. You can do so using the youcanbookme link provided below. Staff are available for these meetings during the times listed there.
