### 2. GENERAL POLICY STATEMENT

Research Ethics Boards (REBs) are accountable for their activities and decisions, and appropriate controls must be applied to ensure that documents related to REB review and approvals of research are signed by a person or persons having the appropriate authority to do so.

This SOP applies to the HSREB Chair, Vice-Chair(s), REB members and OHRE staff.

The HSREB Chair is responsible for signing documents related to the HSREB review and approval of research. If the task of signing is delegated, the responsibility for oversight remains with the HSREB Chair.
