personnel to support the Animal Care Committee and its function.

Ensure there is sufficient IT support to facilitate both animal care and human ethics city wide.

Human Ethics: Ensure there is sufficient administrative personnel to support Research Ethics Boards (REB) and its function.

Maintain accreditation with federal standards administered by the Canadian Council on Animal Care and the Ontario Ministry of Agriculture, Food and Rural Affairs.

Software will streamline business processes across the animal care and ethics program and eliminate stand-alone systems and paper-based processes and records.

Improved turn-around times and minimized delays in research start up for faculty, staff and students while continuing to adhere to provincial, federal and international guidelines.
