

Directions for Co-applicants on a SSHRC Insight Grant

Co-Applicant Eligibility:

An individual is eligible to be a [co-applicant](#) if they are formally affiliated with any of the following:

- **Canadian:** Eligible postsecondary institutions.
- **International: Not** eligible for co-applicant status.

Co-applicants not affiliated with an eligible Canadian postsecondary institution at the time of application must [contact SSHRC](#). Any co-applicants on a successful application must be affiliated (i.e. a research eligible position) with an eligible institution before the grant is awarded.

Researchers who maintain an affiliation with a Canadian postsecondary institution, but whose primary affiliation is with a non-Canadian postsecondary institution, are not eligible for [co-applicant](#) status.

Postdoctoral researchers and PhD candidates are eligible to be co-applicants. However, in order for SSHRC to release grant funds, successful co-applicants must formally establish an affiliation with an [eligible Canadian postsecondary institution](#) within five months of the grant start date (i.e., by September 2023 for the current competition), and maintain such an affiliation for the duration of the grant period.
