## Choose the BEST university for your undergraduate studies

# Hello!

Normally we would make a physical viewbook and look forward to seeing you at events like the Ontario Universities Fair. Given the pandemic, we have all had to change the way we get our information.

We've designed this interactive brochure to make it easier for you to discover the Faculty of Science at Western University while you decide where to apply to university. Connect with our programming through the links on this page.

Video: Why Choose Western Science?

**Jermiah**

"I wanted to go to a school where I could make a difference and have an impact...to have a quality education but also have a balance of community and learning about myself."

Video

**Nadia**

"Everyone has focused on helping me succeed...you have a sense of belonging, like it's your family...it's so enriching, I don't think I can find that anywhere else."
