Follow Your Path to Year 3 BMSc

**Medical Science First Entry**

- Satisfy first year conditions: Complete 5.0 courses w/ NO failures and obtain 60% in the first attempt of each of Chem/Bio/Math and Physics (if taken).
- Successfully complete 5.0 credits BUT obtain b/w 50-59% in one of Chem/Bio/Math or Physics (if taken).
- Successfully complete first year requirements: 5.0 courses – min. 60% in each of Chem/Bio/Math and Physics (if taken).
- Obtain less than 5.0 credits or fail ANY course in first year.
- Receive less than 60% in any of Chem/Bio/Math and/or Physics (if taken).

**Year 1 Science (or other faculty)**

- Successfully complete 5.0 courses with NO failures (<50%) and obtain 60% in the first attempt of each 2000 level admission requirement (with an 80% avg).
- Successfully complete 5.0 courses with NO failures (<50%) but obtain between 50-59% in one 0.5 2000 level admission requirements (with min. 75% avg).
- Fail ANY course (< 50%) in Year 2.
- Complete Year 2 with NO failures (<50%) and obtain 60% in the first attempt of each 2000 level admission requirement (with min. 75% avg).
- No failures (<50%) but obtain 50-59% in one of the 0.5 2000 level admission requirements.
- No failures (<50%) but obtain 50-59% in more than one 0.5 2000 level admission requirements.
- Fail ANY course (< 50%) in Year 2.
- Cannot progress to Med Sci 2: Recommended to repeat/upgrade in the summer for Year 2 courses.
- You cannot fail ANY summer course and progress to Med Sci 2.
- You must repeat and obtain 60% in the 0.5 admission requirement either in the summer or overloading 2nd term.
- You must repeat and obtain 60% in the summer or overload in 2nd term. If you do not obtain 60% or if you fail ANY summer course you will not be eligible for the competitive pool/BMSc.

**Medical Science 2**

- Successfully complete 5.0 courses with NO failures (<50%) but obtain between 50-59% in more than one 0.5 2000 level admission requirements.
- Fail ANY course (< 50%) in Year 2.
- Complete Year 2 with NO failures (<50%) and obtain 60% in the first attempt of each 2000 level admission requirement (with min. 75% avg).
- No failures (<50%) but obtain 50-59% in one of the 0.5 2000 level admission requirements.
- No failures (<50%) but obtain 50-59% in more than one 0.5 2000 level admission requirements.

**Year 2 Science (or other faculty)**

- Complete Year 2 with NO failures (<50%) and obtain 60% in the first attempt of each 2000 level admission requirement (with min. 75% avg).
- No failures (<50%) but obtain 50-59% in one of the 0.5 2000 level admission requirements.
- No failures (<50%) but obtain 50-59% in more than one 0.5 2000 level admission requirements.
- Fail ANY course (< 50%) in Year 2.

**Competitive Pool for Year 3 BMSc**

- Year 1 Overload Requirements: 80% average/ NO failures in previous term.
- Year 2 Overload Requirements: 70% average/ NO failures in previous term.
- You can repeat/upgrade in the summer and be eligible for BMSc?
- No.

**Assured Entrance to Year 3 BMSc**

- Year 1 Overload Requirements: 80% average/ NO failures in previous term.
- Year 2 Overload Requirements: 70% average/ NO failures in previous term.

**Not Eligible for BMSc**

- Contact academic counselling to discuss BSc degree options.
