

## Contributions to Statistical Computing

L.-P. Chen\* and G. Y. Yi (2019). R package "MCNSC" on CRAN for *Multiclass Classification with Network Structured Covariates*.

D. Shu\* and G. Y. Yi (2018). R package "ipwErrorY" on CRAN for *Inverse Probability Weighting Estimation of Average Treatment Effect with Outcome Misclassification*.

J. Xiong and G. Y. Yi (2018). R package "swgee" on CRAN for *Analyzing Longitudinal Data with Missing Observations and Covariate Measurement Error*.

Q. Zhang\* and G. Y. Yi (2017). R package "augSIMEX" on CRAN for *Analysis of Data with Mixed Measurement Error and Misclassification in Covariates*.

W. He, J. Xiong\* and G. Y. Yi (2010). R package "simexaft" on CRAN.
