

## Jeffery, Rudd, McKittrick Ethics Award in Actuarial Sciences

Awarded annually to a student graduating in 4th year from Honours Specialization in Actuarial Sciences, who has demonstrated a strong understanding of ethics in Actuarial Sciences through their course achievements and statement submission. Candidates are asked to complete this online application form by **February 28, 2023** and to provide an essay on the importance of ethics in the actuarial profession, as well as their personal ethics philosophy. The Scholarship and Awards Committee in the Department of Statistical and Actuarial Sciences will select the recipient based on a consideration of both their course achievements and the statement submission.

**Value: Value: 1 at \$1,500**

Applications should be submitted each year by the indicated deadline.

### Application Deadline – February 28, 2023

Please note that a complete application includes ALL of the following information:

1. I have included a one-to two-page essay as described above.
2. I give permission to the Scholarship Committee to print and view my academic record.
3. I understand that if I withdraw from an honors program (Honors Specialization in Actuarial Science), I forfeit the award permanently.
4. I understand that my continuing scholarship is based upon maintenance of an 75% or greater average on a full course load.
