

Department of Statistical and Actuarial Sciences (DSAS)

Winter 2020 Academic Counselling

Please note the following:

1) Special Permission (SP) requests and other module or course queries

- Please email your request to stats-inquiry@uwo.ca
- Your email should include your student ID and a clear and concise summary of your SP request or other question.
- Please note that we seldom give SP for pre-reqs that are not met and we do not override the online registration system.

2) Fall Drop in Undergraduate Counselling Hours – module and course inquiries

- **Mondays 11:30am-12:30pm Hristo Sendov WSC 205**
- **Tuesdays 12:30-1:30pm Camila de Souza WSC 225**
- **Thursdays 1:30-2:30pm Jiandong Ren WSC 219**

3) Course equivalency requests for Letters of Permission (LOP) for courses you are looking at taking are another university and exchange course approvals

- Please email Steve Kopp (kopp@uwo.ca) for an appointment. You will need to include a course outline (not just a description) in order for the course to be evaluated and should indicate what equivalency you are looking for where possible.
- Note that transfer credit requests are now triaged through your faculty (we do not deal directly with students on transfer credit assessments).
