GENERAL CERTIFICATE OF EDUCATION (GCE) REQUIREMENTS

Qualifications other than those listed may be considered on an individual basis by the Office of the Registrar provided they are equivalent to the standing required for admission to the first year level at this University.

1. Applicants seeking admission on the basis of the General Certificate of Education (GCE) must submit three distinct A-Level (or four distinct AS-Level) traditional academic subjects with grades of A and/or B for admission consideration. General Paper is not acceptable. Applied Advanced Level subjects are not an ideal preparation for our programs.
2. Students who receive a 'B' grade on final GCE Advanced level exams will receive advanced standing credit for those courses approved by the appropriate faculty.
3. Specific prerequisite courses are required for admission to some faculties/programs. Pre-requisites must be presented at the Advanced or Advanced Subsidiary Level; however, some programs may consider IGCSE/GCSE/Ordinary Level results with a grade of 'B' or above to satisfy prerequisites.

Submission of five IGCSE/GCSE/Ordinary Level academic subjects or equivalent is required as reference for past academic success.
