PROCEDURES AND CRITERIA FOR THE ESTABLISHMENT OF CERTIFICATE AND DIPLOMA PROGRAMS OFFERED BY CONTINUING STUDIES AT WESTERN

References have been changed from the former name of the Western Centre for Continuing Studies)

General

1. A Certificate offered through the Continuing Studies at Western is a non-degree credential. It will be awarded to candidates who have successfully completed an approved program with a coordinated curriculum which usually will have a professional or an applied focus. A program normally will require completion of a set of degree-credit courses from the undergraduate offerings of the University combined with a set of specially designed certificate-credit courses, practica and/or workshops. The workload effort required in each certificate program normally will be equivalent to that of at least one academic year of full-time undergraduate study.
2. To be eligible to enter a certificate program, a candidate must be admitted to The University of Western Ontario and must have completed the prerequisites for any degree-credit courses in the program. Any additional requirements for entry into a specific certificate program will be defined in the proposal for the program. Students may be granted advanced standing in a certificate program for university courses already completed.
3. Generally, certificate programs will be designed so that they may be pursued concurrently with a Bachelor's degree.
4. To maintain registration in the program and to be eligible to obtain a certificate, a student must be in good standing in the University. Additional requirements to maintain registration in a program will be defined as part of each certificate program proposal. To be granted a certificate, a student must obtain pass standing in all courses in the program and, in the credit courses in the program, obtain a mark of at least 60% in each course and an overall average of 70%. Certificate-credit components must be completed in no more than five years following admission into the certificate program.
5. Students will retain their academic standing for the degree-credit courses completed in a certificate program in accordance with the rules applicable to the partnering Faculty or Affiliated College.
