

Salary Discussions

Special Resolution: No. 8

Effective Date: May 22, 1977

Revised:

1. While the Board of Governors, at its discretion may impose conditions or limitations to apply in discussions or agreements, the Board authorizes the President to reach agreement with the associations representing the Faculty and the Administrative Staff respectively, on collective changes in salaries and benefits, and conditions attached thereto, as may be required and usually in concurrence with preparation of the annual operating budget, and to sign relevant instruments of such agreements with the said associations on the understanding that the same are subject to approval by the Board.
