

POLICY 1.37 – Parking & Traffic Regulations

Policy Category: General

Subject: Parking & Traffic Regulations

Approving Authority: Board of Governors

Responsible Officer: Vice-President (Operations & Finance)

Responsible Office: Facilities Management - Parking & Visitor Services

Related Procedures: [Procedures for Parking & Traffic Regulations](#)

Effective Date: June 7, 2019

Supersedes: November 27, 2003; May 6, 2004

1.00 PURPOSE

The purpose of this policy is to regulate vehicle traffic and parking on Campus. These policies and procedures are designed to respond to the uniqueness, and to preserve the natural appearance, of the Campus and its character as a pedestrian friendly campus. For this reason, these policies and procedures may be different from municipal parking bylaws or other parking rules.

Parking policy governs the use of parking spaces and lots to facilitate the safe and orderly conduct of University business and to provide parking facilities in support of these functions within the limits of available space.

POLICY

- 2.00 Western University shall not be held responsible for any loss, injury, or damage to persons, equipment and/or motor vehicles, including contents, however caused. Losses, damage and/or injuries should be reported to Western Special Constable Service.
- 3.00 These regulations apply in full to all types of motor vehicles (gas or battery powered), motorcycles and bicycles, with exceptions as specifically noted, and are applicable for all twelve months of the parking year.
- 4.00 All motor vehicles must be properly licensed and insured. Motor vehicle operators must have a valid driver's license.

5.00 AUTHORITY

- 5.01 (a) The following regulations are made under the authority of the University of Western Ontario Act (1982), subsection 19(k), S.O. Chapter 92,
- (b) These regulations are authorized by the President within its authority under the Act.

POLICY 1.37 – Parking & Traffic Regulations

- 5.02 The provisions of these regulations are applicable to all traffic, vehicular and pedestrian, on all properties of Western University.
- 5.03 Western University, reserves the right to maintain full jurisdiction over all traffic and to:
- (i) take action against all violators of these regulations, and
 - (ii) amend these regulations as may be determined by the President.
