ADMINISTRATIVE NOTES

Recommendations from individual faculties are forwarded initially to the Stewardship Officer, who consults with the Registrar's Office and the School of Graduate and Postdoctoral Studies prior to adding items to the next SRS agenda. SRS meets on the Tuesday of the week preceding a SCAPA meeting. Contingent on the consensus of the group that an award is ready for the appropriate Board of Governors and/or Senate Committee, the University Secretariat ensures that items are placed on the appropriate agendas.

MAPP 2.10 – Policy on Scholarships, Awards and Prizes regulates approval process for new awards and award revisions.
