Normally, nominations are open for approximately two weeks in early January, followed by a campaign period.

3. Elections of faculty from the Affiliated University Colleges are conducted by each Affiliated University College, with the winners’ names being forwarded to the University Secretary.

4. With the exception of faculty elected from the Affiliated University Colleges, candidates for election must be nominated by means of an official nomination form available from the University Secretary and accessible on the University Secretariat website: http://www.uwo.ca/univsec/.
5. Nomination forms for staff and students must be signed by 10 persons eligible to vote in the unit or constituency concerned.

6. Nomination forms for faculty from the University shall be signed in one of the following ways:
   (a) by 10 members eligible to vote in the academic unit or constituency to be represented; or

The University Secretary shall have discretion in restricting the published statement to 200 words. The statement and the digital photograph (if provided) of the candidate will be posted on the election website and linked to the ballot, and by submitting the statement and photograph, candidates agree to such posting.

10. Errors or irregularities on a nomination form constitute grounds for rejection of the nomination by the University Secretary.

11. When only sufficient nominations to fill the vacancies for any unit or constituency are received, the University Secretary shall declare the person or persons nominated elected by acclamation.

12. Except where election is by acclamation, election shall be by secret ballot by those eligible to vote in the unit or constituency concerned.

A.3.1 Faculty

(a) To be eligible for election to the Senate, a faculty member (includes those holding Clinical Academic appointments) must be a member, either full-time or part-time, at the rank of Assistant Professor or higher, of the academic unit or constituent parts thereof as designated by the Senate or Affiliated University College to be represented, and must have held an academic appointment in the University or Affiliated University College for at least two academic years. Elected faculty whose employment status at the University or Affiliated University College ends during their term shall cease to be Senators.

(b) To vote for representatives of Faculties and Schools, members of faculty of the University (includes those holding Clinical Academic appointments), at the rank of Assistant Professor or higher, must be listed as such in the records of Human Resources. To vote for faculty representatives of the Affiliated University College, members of the faculty of the Affiliated University Colleges, at the rank of Assistant Professor or higher, must be listed as such in the relevant records of the Affiliated University College in question.

(c) A member of faculty holding an appointment in more than one academic unit (or constituency within that unit) other than the School of Graduate and Postdoctoral Studies may be nominated only in the unit designated as the "Home Faculty/School". Such a member of faculty is, however, eligible to vote in each academic unit in which they are a member.

A.3.2 Administrative Staff

All employees of the University who are recorded in Human Resources as holding a full-time continuing position and who are not members of the faculty (excluding limited duties appointments) are eligible for election and to vote. A member of full-time administrative staff who is registered as a student is not eligible to vote in the undergraduate or graduate student constituencies. Elected administrative staff whose employment status at the University ends during their term shall cease to be Senators.

A.3.3 Students

Any full- or part-time student who is registered*, at the time of the call for nominations, in one of the academic units comprising the constituency is eligible to be a candidate and to vote in their academic unit of registration constituency except that those who are otherwise included in a faculty or administrative staff constituency shall not be eligible to be a candidate for election or vote. In any given Senate
election, a student may not be a candidate in more than one constituency. Elected individuals who cease to have the status of a registered student at the University during their term shall cease to be Senators.

*Western University students on exchange are eligible to vote in the constituency where they were registered at the time of leaving for an exchange.

A.4 Procedures
A.4.1 Faculty and Staff

(a) The University Secretary shall call for nominations, normally within the first three weeks of January each year.

(b) Completed nomination forms must be submitted to the University Secretary not less than seven but not more than 14 consecutive days after the official date of call for nominations. The University Secretary shall then publish official lists of the valid nominations on the University Secretariat website as soon as possible after the close of nominations. The official lists shall be organized by constituency and by last name alphabetically, showing the rank (for faculty), title and academic/administrative unit of each nominee.

(c) Elections shall be conducted by electronic ballot.

(d) If at any annual election no nominations are received for a faculty constituency, Senate will appoint a member upon the recommendation of the unit concerned based on the unit’s internal nomination procedures. The name of the member will be submitted to Senate for information through the Operations/Agenda Committee.

(e) If at any annual election no nominations are received for the administrative staff constituency, the University Secretary shall issue as soon as possible after the close of nominations a second call for nominations, followed by a by-election. The timeline and procedures for the by-election will be as given in paragraphs (b), (c) and (f) of this section. In the event that a by-election fails to yield a candidate, the seat(s) shall be filled in accordance with the procedures for filling of mid-year vacancies (see section B.6, below).

(f) The University Secretary shall publish the names of the successful candidates on the University Secretariat website, as soon as possible after the close of the balloting. The successful candidates for each unit/constituency shall be those who obtain the largest number of votes in each unit/constituency concerned.
A.4.2 Students

(a) When possible, elections to the undergraduate and graduate student constituencies are timed to run in conjunction with the University Students’ Council (USC) and Society of Graduate Students (SOGS) presidential elections. Calls for nomination will be issued in accordance with the posted Election Schedule. Undergraduate students may be required to submit a bond to the USC, subject to the USC’s By-Law #2 – Election Procedures of the University Students’ Council.

(b) Students registered in Years 1 and 2 of the Bachelor of Medical Science (BMSc) program will be nominated and vote in the “Faculty of Science constituency”, while students registered in Years 3 and 4 of the BMSc program will be nominated and vote in the “Schulich School of Medicine & Dentistry constituency”.

(c) If, at any annual election, an undergraduate academic constituency fails to nominate a representative(s), the seat(s) thus unfilled shall migrate to the undergraduate "At Large" constituency for that year only and be filled by election from the “At Large” nominations.

(d) If one or more "At Large" seats are not filled, the required members shall be determined by the USC and provided to Senate for information through the Operations/Agenda Committee.

(e) If at any annual election insufficient nominations are received for the graduate student constituency, the required members shall be determined by the ad hoc Nominating Committee outlined in the procedure for the Filling of Mid-Year Vacancies and Appointment of Alternates (see section B.5(c)) and provided to Senate for information through the Operations/Agenda Committee.

(f) A mandatory all-candidates meeting will be scheduled for undergraduate student candidates following the close of nominations. Undergraduate student nominees who do not attend or have not made arrangements to send an alternate will be disqualified from candidacy. Following the all-candidates meeting, the University Secretary shall publish a list of valid nominations on the University Secretariat website for undergraduate and graduate student constituencies. The official list shall be by last name alphabetically, and show for each candidate the academic program as recorded in the official student records of the University or the relevant Affiliated University College.

(g) For undergraduate students, the University Secretary may employ the USC Election Committee to supervise campaigning by candidates but any decision that a candidate be disqualified may be appealed to the University Secretary.
by 4:00 p.m. of the second working day following the date of the letter notifying the candidate of the Election Committee’s decision that the candidate be disqualified. Where there is inconsistency between the policies and procedures stated in USC By-Law #2 and those of the Senate, the policies and procedures of the Senate shall take precedence and the final authority for resolving all disputes in such matters shall rest with the University Secretary.

(h) For graduate students, the University Secretary may employ the SOGS CRO and Appeals Review Commission to supervise campaigning by candidates but any decision that a candidate be disqualified may be appealed to the University Secretary by 4:00 p.m. of the second working day following the date of the letter notifying the candidate of the Appeals Commission’s decision that the candidate be disqualified. Where there is inconsistency between the policies and procedures stated in the SOGS election regulations and those of the Senate, the policies and procedures of the Senate shall take precedence and the final authority for resolving all disputes in such matters shall rest with the University Secretary.

(i) When either the USC or SOGS processes are not employed, candidates will be required to adhere to the campaign requirements and processes established by the Operations/Agenda Committee of Senate.

(j) The University Secretary shall publish the names of the successful candidates on the University Secretariat website, as soon as possible after the close of the balloting. The successful candidates shall be those who obtain the largest number of votes in each constituency concerned.
